SUPPLEMENTARY INFORMATION: The Multiemployer Pension Reform Act of 2014 (MPRA) amended the Internal Revenue Code to permit a multiemployer plan that is projected to have insufficient funds to reduce pension benefits payable to participants and beneficiaries if certain conditions are satisfied. In order to reduce benefits, the plan sponsor is required to submit an application to the Secretary of the Treasury, which the Department of the Treasury (Treasury), in consultation with the Pension Benefit Guaranty Corporation (PBGC) and the Secretary of Labor, is required to approve or deny.

On September 25, 2015, the Board of Trustees of the Central States Pension Plan submitted an application for approval to reduce benefits under the Central States Pension Plan. As required by the MPRA, that application has been published on Treasury's Web site at http://www.treasury.gov/services/Pages/central-states-application.aspx.

Treasury is publishing this notice in the Federal Register, in consultation with PBGC and the Department of Labor, to solicit public comments on all aspects of the Central States Pension Plan application, including with respect to the interpretation of section 432(e)(9)(D)(vii) of the Internal Revenue Code that is reflected in the application. Comments are requested from interested parties, including contributing employers, employee organizations, and participants and beneficiaries of the Central States Pension Plan. Consideration will be given to any comments that are timely received by Treasury.
