CMS-10280 Home Health Change of Care Notice (HHCCN)

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. *Type of Information Collection Request:* Extension of a currently approved collection; *Title of Information Collection:* Home Health Change of Care Notice (HHCCN); *Use:* The Home Health Change of Care Notice (HHCCN) is used to notify original Medicare beneficiaries receiving home health care benefits of plan of care changes. Home health agencies (HHAs) must provide the HHCCN whenever they reduce or terminate a beneficiary's home health services due to physician/provider orders or limitation of the HHA in providing the specific service. Notification is required for covered and non-covered services listed in the plan of care. This iteration contains non-substantive changes which add language informing beneficiaries of their rights under Section 504 of the Rehabilitation Act of 1973 by alerting the beneficiary to CMS' nondiscrimination practices and the availability of alternate forms of this notice if needed. There are no substantive changes. *Form Number:*

[Docket No. FDA-2013-N-1282]

National Environmental Policy Act; Environmental Assessments for Tobacco Products; Categorical Exclusions—Small Entity Compliance Guide; Guidance for Industry; Availability

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of availability.

SUMMARY: The Food and Drug Administration (FDA) is announcing the availability of a guidance for industry entitled "National Environmental Policy Act; Environmental Assessments for Tobacco Products; Categorical Exclusions—Small Entity Compliance Guide." This guidance is intended to help small businesses understand the recent changes to FDA's National Environmental Policy Act (NEPA)-implementing regulations, which will allow certain classes of actions on tobacco product marketing applications to be excluded from the requirements to prepare an environmental assessment (EA) or an environmental impact statement (EIS). This will decrease the amount of time required for industry to complete, and for FDA to review, applications.
