#### SUPPLEMENTARY INFORMATION:

I. Background: The Office of Federal Contractor Compliance Programs (OFCCP) administers and enforces the three nondiscrimination and equal employment opportunity laws listed below.

- Executive Order 11246, as amended (E.O. 11246).
- Section 503 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 793 (Section 503).
- Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212 (VEVRAA).

Generally, these authorities prohibit employment discrimination and require affirmative action to ensure that equal employment opportunities are available regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran by Federal contractors. Additionally, federal contractors and subcontractors are prohibited from discriminating against applicants and employees for asking about, discussing, or sharing information about their pay or the pay of their co-workers. This clearance request covers aspects of the EO 11246, Section 503, and VEVRAA non-construction supply and service program, particularly the Scheduling Letter and Itemized Listing. OFCCP is not proposing to collect new information with this renewal. Instead, OFCCP is seeking to clarify the information collection that is the subject

of this renewal. To view this current supply and service information collection, go to <http://www.regulations.gov>.

E.O. 11246 applies to Federal contractors and subcontractors and to federally assisted construction contractors holding a Government contract in excess of \$10,000, or Government contracts which have, or can reasonably be expected to have, an aggregate total value exceeding \$10,000 in a 12-month period. EO 11246 also applies to government bills of lading, depositories of Federal funds in any amount, and to financial institutions that are issuing and paying agents for U.S. Savings Bonds.

Section 503 prohibits employment discrimination against applicants and employees because of physical or mental disability and requires affirmative action to ensure that persons are treated without regard to disability. Section 503 applies to Federal contractors and subcontractors with contracts in excess of \$15,000.<sup>1</sup>

VEVRAA prohibits employment discrimination against protected veterans and requires affirmative action to ensure that persons are treated without regard to their status as a protected veteran. VEVRAA applies to Federal contractors and subcontractors with contracts of \$150,000 or more.<sup>2</sup>

The ICR addresses EO 11246, Section 503 and VEVRAA supply and service program components subject to the Paperwork Reduction Act of 1995 (PRA).
