

these individuals can voluntarily submit tips and complaints regarding suspected violations of environmental law. OECA is considering the use of a mobile-friendly version of the Tips and Complaints Web pages that will complement the existing process. Tips or complaints received are used by civil and/or criminal enforcement personnel at EPA to determine whether an investigation is warranted into the suspected or alleged misconduct. In some cases, EPA may decide to refer tips or complaints for investigation to other federal agencies or to State or local authorities within whose jurisdiction the matter may appropriately fall. The OECA Tips and Complaints Web page or mobile-friendly versions does not replace or otherwise supplant other means of providing tips or complaints to EPA; it merely provides a convenient means by which to supply these tips or complaints.

As with complaints provided by phone, fax, or electronic mail, we expect that tippers or complainants are already in the possession of information that leads them to suspect a violation of environmental law when they contact EPA to report the matter. Accordingly, EPA believes that the burden associated with the reporting is merely that arising from the need to read the instructions and type or select information into the appropriate fields. In our estimate, this amounts to approximately 1/2 hour per tip or complaint, for total annualized burden for all tippers and complainants of 5,143 hours. While we do not expect actual labor costs associated with these burden hours, the opportunity cost of 4,601 burden hours would be approximately \$100,026.

EPA does not maintain hardcopies of the information supplied through the webform. Tips or complaints not acted upon within 30 days are automatically purged from the database. Tips or complaints upon which some action is taken are preserved for a period of five years, pursuant to the record schedule for criminal investigations.

Form Numbers: None.

Respondents/affected entities:

Anyone wishing to file a tip or complaint.

Respondent's obligation to respond: Voluntary.

Estimated number of respondents: 10,286 (total).

Frequency of response: Occasionally.

Total estimated burden: 5,143 hours (per year). Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$100,026 (per year), includes no annualized capital or operation & maintenance costs.

Changes in Estimates: There is an increase of 542 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. This increase reflects the fact that tips and complaints are being filed at a higher rate than originally anticipated, a strong indication of the success of this program. There has been no change in the information being reported or the estimated burden per respondent.

Dated: October 15, 2015.

Director, Office of Criminal Enforcement, Forensics and Training.
