### NASA Advisory Council; Science Committee; Public Nominations for Subcommittees

AGENCY: National Aeronautics and Space Administration.

ACTION: Annual Invitation for Public Nominations by U.S. Citizens for Service on the NASA Advisory Council's Science Committee Subcommittees.

**SUMMARY:** NASA announces its annual invitation for public nominations for service on the NASA Advisory Council's Science Committee subcommittees. Five science subcommittees report to the Science

Committee of the NASA Advisory Council (NAC), a Federal advisory committee under the Federal Advisory Committee Act (FACA). U.S. citizens may submit self-nominations for consideration to fill intermittent vacancies on these five science subcommittees. NASA's science subcommittees have member vacancies from time to time throughout the year, and NASA will consider self-nominations to fill such intermittent vacancies. *Nominees will only be contacted should a vacancy arise and it is judged that their area(s) of expertise is appropriate for that specific vacancy.* NASA is committed to selecting members to serve on its science subcommittees based on their individual expertise, knowledge, experience, and current/past contributions to the relevant subject area.

**DATES:** The deadline for NASA receipt of all public nominations is November 23, 2015.

**ADDRESSES:** To be considered by NASA, self-nomination packages from interested U.S. citizens must be sent to NASA as an email and must include the name of the specific NAC science subcommittee of interest. Self-nomination packages are limited to specifying interest in only one NAC science subcommittee per year. The following information is required to be included as part of each self-nomination package: (1) A cover email including the name of the specific NAC science subcommittee of interest; (2) a professional resume (one-page maximum, included as an attachment); and, (3) a professional biography (one-page maximum, included as an attachment). All public self-nomination packages must be submitted electronically via email to NASA to one of the addresses listed below; paper-based documents sent through postal mail (hard-copies) will not be accepted. Note: Self-nomination packages that do not include the three (3) mandatory elements listed above will not receive further consideration by NASA. Please submit the nomination as a single package containing the cover email and both required attachments electronically to the specific email identified for the NAC science subcommittee of interest:
