

the POR which were produced and/or exported by those companies.

The Department has refined its assessment practice in NME cases. Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate.¹²

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that rate established in the final results of this review (except, if the rate is zero or *de minimis*, then a cash deposit rate of zero will be established for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the PRC-wide entity, which is 76.45 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

The Department intends to disclose to the parties the calculations performed for these final results within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

¹² For a full discussion of this practice, see *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011) (NME Antidumping Proceedings).

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 2, 2015.

SUPPLEMENTARY INFORMATION:

Title of Collection: "Home Mortgage Disclosure (Regulation C) 12 CFR 1003".

OMB Control Number: 3170-0008.

Type of Review: Extension without change of an existing collection.

Affected Public: Private Sector.

Estimated Number of Respondents: 145.

Estimated Total Annual Burden Hours: 690,000.¹

Abstract: The Home Mortgage Disclosure Act (HMDA) requires certain depository institutions and for-profit nondepository institutions to collect, report, and disclose data about originations and purchases of mortgage loans, as well as mortgage loan applications that do not result in originations (for example, applications that are denied or withdrawn). The Bureau's Regulation C, 12 CFR part 1003, implements HMDA. The purpose of the information collection is: (i) To help determine whether financial institutions are serving the housing needs of their communities; (ii) to assist public officials in distributing public-sector investment so as to attract private investment to areas where it is needed; and (iii) to assist in identifying possible discriminatory lending patterns and enforcing antidiscrimination statutes. The information collection will also assist the CFPB's examiners, and examiners of other federal supervisory agencies, in determining that the financial institutions they supervise comply with applicable provisions of HMDA.

In accordance with 5 CFR 1320.11(f) and 1320.11(h), this information collection request (ICR) is being submitted to OMB in association with the final rule for Regulation C (RIN 3170-AA10), 80 FR 66127 published October 27, 2015. Further, since the

information collection requirements as contained in current Regulation C are currently scheduled to expire on January 31, 2016 and the information collection requirements as contained in the final rule for Regulation C will generally not become effective until January 1, 2018, this ICR is also contemporaneously being submitted to OMB under 5 CFR 1320.12, *Clearance of collections of information in current rules*. The Bureau is requesting OMB to extend for an additional three years its approval of the information collection requirements as contained in current Regulation C.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: November 4, 2015.
