The LGAC usually meets two or three times a year. Additionally, members may be asked to participate in teleconference meetings or serve on a subcommittee and workgroups to develop recommendations, advice letters and reports to address specific policy issues. The average workload for members is approximately 3–6 hours per month. Honoraria or compensation for your services is not authorized, however, you may receive travel and per diem allowances where appropriate and according to applicable federal travel regulations.

Nominations: The EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, the agency encourages nominations of women and men from racially, ethnically, and socio-economically diverse communities. All nominations will be fully considered, but applicants need to be aware of the specific representation sought as outlined in the Summary above. In addition, EPA is seeking nominees with demonstrated local leadership in community sustainability and sustainable development; public health and health disparities; air and water quality issues; climate change and climate resiliency; green jobs and economic initiatives; and energy and environmental financing.

Other criteria used to evaluate nominees will include:

- The background and experience that would help members contribute to the diversity of perspectives on the committee (e.g., geographic, economic, social, cultural, educational background, professional affiliations, and other considerations);
- Demonstrated experience as elected and/or appointed official for a local, state or tribal government;
- Demonstrated experience working with officials from other governments or other levels of government (e.g., other local governments, federal agencies);
- Excellent interpersonal and consensus-building skills;

- Willingness to commit time to the committee and demonstrated ability to work constructively and effectively on committees.

How to submit nominations: Any interested person or organization may nominate qualified persons to be considered for appointment to this advisory committee. Individuals may self-nominate. Nominations can be submitted in electronic format (preferred) or in hard copy format (see **ADDRESSES** section above). To be considered, all nominations should include:

- Current contact information for the nominee, including the nominee's name, organization (and position within that organization), current business address, email address, and daytime telephone number;
- A brief statement describing the nominee's interest in serving on the LGAC; and
- A resume and short biography describing the professional and educational qualifications of the nominee, including a list of relevant activities, and any current or previous service on advisory committees; and Letter(s) of recommendation from a third party supporting the nomination. Letter(s) should describe how the nominee's experience and knowledge will bring value to the work of the LGAC.

Other sources, in addition to this **Federal Register** notice, may be utilized in the solicitation of nominees. To help the EPA in evaluating the effectiveness of its outreach efforts, please tell us how you learned of this opportunity.
