has authority to handle controlled substances in the State of Florida. For this reason, Dr. Paylan’s second and third claims fall outside the scope of this proceeding as well.

Last, while I am mindful of Dr. Paylan’s request for a temporary suspension or abeyance of these proceedings, the DEA has consistently summarily revoked DEA certificates of registration based on state medical board temporary suspension orders, and it has previously denied staying its proceedings pending the outcome of a Respondent’s appeal of his state licensing authority’s suspension of his license. As detailed above, only a “practitioner” may receive a DEA registration. Finding that Dr. Paylan is currently without license to practice as a medical doctor, and thus is not authorized to handle controlled substances in the State of Florida, I cannot and will not recommend that these proceedings be held in abeyance, or that Respondent’s registration be suspended. I will instead recommend her registration be revoked.

Order Granting the Government’s Motion for Summary Disposition and Recommendation

I find there is no genuine dispute regarding whether Respondent is a “practitioner” as that term is defined by 21 U.S.C. 802(21), and that based on the record the Government has established, by at least a preponderance of the evidence, that Respondent is not a practitioner and is not authorized to dispense controlled substances in the state in which she seeks to practice with a DEA Certificate of Registration. I further find that the Respondent has failed to dispute this assertion. Accordingly, I GRANT the Government’s Motion for Summary Disposition.

Upon this finding, I ORDER that this case be forwarded to the Administrator for final disposition and I recommended that Respondent’s DEA Certificate of Registration should be REVOKED and any pending application for the renewal or modification of the same should be DENIED.
