

records that may pose a threat to the safety of Exchange personnel or the security of facilities and records, thereby enhancing business continuity, workplace safety and the security of the Exchange's operations and helping to protect investors and the public interest.

Continuing to run fingerprint-based background checks is imperative for the Exchange and its affiliates, as this process helps to identify persons with criminal history records who may pose a threat to the safety of Exchange personnel and/or the security of Exchange facilities and records. This identification and screening process thus enhances business continuity, workplace safety, and the security of the Exchange's operations. The use of an FBI-approved Channel Partner in some or all phases of this process is consistent with Rule 28 and applicable state and federal law, and in furtherance of the important objectives described herein. Additionally, the use of a Channel Partner is consistent with the fingerprinting method currently employed by other SROs.¹³ For all these reasons, the proposal is also designed to protect investors as well as the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change would enhance the security of the Exchange's facilities and records without adding any burden on market participants and allow the Exchange continued compliance with its fingerprinting rules and with Section 17(f)(2) of the Act as amended by the Dodd-Frank Act.¹⁴

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁵ and Rule 19b-4(f)(1)¹⁶ thereunder. The proposed rule change effects a change that constitutes a stated

policy, practice or interpretation with respect to the meaning, administration, or enforcement of an existing rule.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 17a-12/Form X-17A-5 Part IIB; SEC File No. 270-442, OMB Control No. 3235-0498.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17a-12 (17 CFR 240.17a-12) and Part IIB of Form X-17A-5 (17 CFR 249.617) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17a-12 requires OTC derivatives dealers to file quarterly Financial and Operational Combined Uniform Single Reports (“FOCUS” reports) on Part IIB of Form X-17A-5, the basic document for reporting the financial and operational condition of over-the-counter (“OTC”) derivatives dealers. Rule 17a-12 also requires that OTC derivatives dealers file audited financial statements annually. The reports required under Rule 17a-12 provide the Commission with information used to monitor the operations of OTC derivatives dealers and to enforce their compliance with the Commission’s rules. These reports also enable the Commission to review the business activities of OTC derivatives dealers and to anticipate, where possible, how these dealers may be affected by significant economic events.

There are currently four registered OTC derivatives dealers. The staff expects that one additional firm will register as an OTC derivatives dealer within the next three years. The staff estimates that the average amount of time necessary to prepare and file the quarterly reports required by the rule is eighty hours per OTC derivatives

dealer¹ and that the average amount of time to prepare and file the annual audit report is 100 hours per OTC derivatives dealer per year, for a total reporting burden of 180 hours per OTC derivatives dealer annually. Thus the staff estimates that the total industry-wide reporting burden to comply with the requirements of Rule 17a-12 is 900 hours per year (180 × 5). Further, the Commission estimates that the total internal compliance cost associated with this requirement is approximately \$255,000 per year.² The average annual reporting cost per broker-dealer for an independent public accountant to examine the financial statements is approximately \$46,300 per broker-dealer. Thus, the total industry-wide annual reporting cost is approximately \$231,500 (\$46,300 × 5).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following Web site: www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549, or by sending an email to PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

¹ Based upon an average of 4 responses per year and an average of 20 hours spent preparing each response.

² Based on staff experience, an OTC derivatives dealer likely would have a Compliance Manager gather the necessary information and prepare and file the quarterly reports and annual audit report and supporting schedules. According to the Securities Industry and Financial Markets Association Report on Management and Professional Earnings in the Securities Industry dated October 2013, which provides base salary and bonus information for middle-management and professional positions within the securities industry, the hourly cost of a compliance manager, which the Commission staff has modified to account for an 1800-hour work year and multiplied by 5.35 to account for bonuses, firm size, employee benefits, and overhead, is approximately \$283/hour. \$283/hour times 900 hours = \$254,700, rounded to \$255,000.

Dated: November 10, 2015.

Deputy Secretary.
