

system, and, in general to protect investors and the public interest. The Exchange believes that the requirements of the Securities Trader and Securities Trader Principal registration categories, as well as the new Securities Trader qualification examination, should help ensure that proprietary traders and the principals who supervise proprietary traders and proprietary trading are, and will continue to be, properly trained and qualified to perform their functions which should protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Implementation of the proposed changes to Phlx's registration rules in coordination with the FINRA Amendments does not present any competitive issues, but rather is designed to provide less burdensome and more efficient regulatory compliance for members and enhance the ability of the Exchange to fairly and efficiently regulate members, which will further enhance competition. Additionally, the proposed rule change should not affect intramarket competition because all similarly situated representatives and principals will be required to complete the same qualification examinations and maintain the same registrations. Finally, the proposed rule change does not impose any additional examination burdens on persons who are already registered. There is no obligation to take the proposed Series 57 examination in order to continue in their present duties, so the proposed rule change is not expected to disadvantage current registered persons relative to new entrants in this regard.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has

become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹³ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SMALL BUSINESS ADMINISTRATION

Data Collection Available for Public Comments

ACTION: 60-DAY notice and request for comments.

SUMMARY: The Small Business Administration (SBA) intends to request approval from the Office of Management and Budget (OMB) to reduce the approved collection of information for 8(a) Business Development (BD) Program applicants. The Paperwork Reduction Act (PRA) of 1995, 44 U.S.C Chapter 35 required federal agencies to publish a notice in the **Federal Register** concerning each proposed or changed collection of information before submission to OMB, and to allow 60 days for public comment in response to the notice. This notice complies with that requirement.

DATES: Submit comments on or before January 19, 2016.

ADDRESSES: Send all comments to Melinda Edwards (Melinda.Edwards@

sba.gov), Program Analyst, Office of Business Development, Small Business Administration, 409 3rd Street, 8th Floor, Washington, DC 20416.

FOR FURTHER INFORMATION OR A COPY OF THE FORMS, CONTACT: Melinda Edwards, Program Analyst, Office of Business Development, Melinda.Edwards@sba.gov 202-619-1843, or Curtis B. Rich, Management Analyst, 202-205-7030, Curtis.Rich@sba.gov.

SUPPLEMENTARY INFORMATION: The 8(a) BD Program is designed to enhance the business development of small business concerns owned and controlled by socially and economically disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same or similar line of business. Historically, over 2,000 entrepreneurs apply for 8(a) BD Program certification each year. Each year approximately 1,500 applications are returned without processing or withdrawn because they are incomplete. In an effort to increase the 8(a) BD Program's accessibility to socially and economically disadvantaged small business owners, SBA seeks to reduce the information collection and forms. The reduced collection of information is based directly on the 8(a) Program eligibility criteria in 13 Code of Federal Regulations (CFR) Part 124. SBA believes this initiative will reduce the administrative paperwork burden for 8(a) applicants while maintaining the integrity of the 8(a) BD Program.

Solicitation of Public Comments

SBA is requesting comments on (a) Whether the eliminated/reduced collection of information was necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to further minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.
