SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Department of Defense Contract Security Classification Specification, DD Form 254; OMB Control Number 0704–XXXX.

Needs and Uses: The information collection requirement, authorized by the DoD 5220.22–R, “DoD Industrial Security Regulation,” and the Federal Acquisition Regulation, is necessary to provide security classification guidance to a U.S. contractor and any subcontractors in connection with a

contract requiring access to classified information (hereinafter referred to as a “classified contract”). The DD Form 254, with its attachments, supplements, and incorporated references, is the principal authorized means for providing security classification guidance to a U.S. contractor in connection with a classified contract.

Affected Public: Business or other for profit.

Annual Burden Hours: 37,948.67.

Number of Respondents: 3,211.

Responses per Respondent: 10.13.

Annual Responses: 32,527.43.

Average Burden per Response: 70 minutes.

Frequency: On occasion.

Respondents will already be a cleared contractor facility in the National Industrial Security Program under the security cognizance of DSS on behalf of Department of Defense (DoD). Such NISP contractors must provide contract security classification specifications with any classified subcontracts that they award to comply with the requirements of the National Industrial Security Program Operating Manual, DoD 5220.22–M. For those contractors under DoD security cognizance, that means using the DD Form 254, if awarding any contracts that require access to classified information for contract performance. If the form is not included with the classified contract, DSS, on behalf of DoD and those non-DoD agencies with which DoD has agreements for industrial security services, is unable to conduct effective oversight to determine that classified information is being protected according to contract or subcontract requirements.

Dated: November 16, 2015.

Aaron Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
