to contact the above individual during normal business hours. The FIRS is available 24 hours a day, seven days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The BLM developed this Draft EIS to address a NEPA defect identified by the IBLA related to the issuance of the oil and gas leases on WRNF lands from 1995 to 2004. In 2007, the Interior Board of Land Appeals (IBLA) ruled that before including WRNF parcels in an oil and gas lease sale, the BLM must either formally adopt NEPA analysis completed by the U.S. Forest Service (USFS) or conduct a NEPA analysis of its own (Board of Commissioners of Pitkin County, 173 IBLA 173 (2007)). The BLM has identified 65 existing leases with effective dates ranging from 1995 to 2012 that were leased by the BLM without adopting USFS NEPA or without the BLM preparing its own NEPA analysis. The most recent USFS decision to make these lands available for oil and gas leasing was analyzed in the 1993 WRNF Oil and Gas Leasing EIS, a decision that was reaffirmed in the 2002 WRNF Plan. Before offering and subsequently issuing the leases at issue in an oil and gas lease sale, the BLM obtained concurrence from the USFS; however, as noted above, it did not adopt the USFS’s NEPA analysis or prepare its own. As a result, the BLM has determined additional actions need to be taken to correct this defect.

Because the BLM has determined that the WRNF NEPA analysis conducted is no longer adequate, the BLM is conducting its own NEPA analysis through this EIS regarding previous decisions to lease WRNF lands for oil and gas development.

The BLM will determine whether these 65 leases should be cancelled, reaffirmed, or modified with additional or different terms. Under a separate effort, the WRNF updated its 1993 Oil and Gas Leasing EIS to address future oil and gas leasing availability. The USFS released the Final EIS and Draft Record of Decision in December 2014. The BLM incorporated as much of the new USFS NEPA analysis of future oil and gas leasing on WRNF lands as possible into its analysis of existing leases.

Five alternatives are considered in the BLM’s Draft EIS. The No Action alternative reaffirms the lease stipulations in the 65 leases as they were issued, and the BLM would take no action by continuing to administer the leases with their current stipulations. Alternative 2 would address inconsistencies by adding stipulations identified in the 1993 WRNF EIS that were not attached to eight leases. Alternative 3 would modify the 65 leases to match the stipulations identified for future leasing in the 2014 USFS Draft EIS Proposed Action. Alternative 4 is the BLM’s Proposed Action. It would modify or cancel the 65 leases to match the stipulations and availability decision for future leasing identified in the 2014 USFS Draft Record of Decision. In areas the USFS identified as open to future leasing, lease stipulations would be modified; all or part of 25 existing leases in areas identified as closed to future leasing would be cancelled. Alternative 5 would cancel all 65 leases.

The BLM developed this range of alternatives to respond to public comments received during public scoping and input from cooperating agencies. The BLM held a public scoping period from April 1 to May 16, 2014, and received more than 32,000 public comments. The BLM held four public meetings during the scoping period. Since the end of the public scoping period, the BLM worked with cooperating agencies (including the EPA; USFS; the Colorado Department of Natural Resources including Colorado Parks and Wildlife; Garfield, Mesa, Pitkin, and Rio Blanco counties; the Town of Carbondale; the City of Glenwood Springs; the Town of New Castle; the Town of Parachute; the City of Rifle; and the town of Silt) to prepare the Draft EIS.

Please note that public comments and information submitted including names, street addresses and email addresses of persons who submit comments will be available for public review and disclosure at the above address during regular business hours (8 a.m. to 4 p.m.), Monday through Friday, except holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Notice of Public Meeting, BLM Alaska Resource Advisory Council**

**AGENCY:** Bureau of Land Management, Alaska State Office, Interior.

**ACTION:** Notice of public meeting.

**SUMMARY:** In accordance with the Federal Land Policy and Management Act of 1976 as amended (FLPMA) and the Federal Advisory Committee Act of 1972 (FACA), the Bureau of Land Management (BLM) Alaska Resource Advisory Council (RAC) will meet as indicated below.

**DATES:** The meeting will be held December 1 and 2, 2015, at the Office of Aviation Services located at 4405 Lear Court, Anchorage, Alaska 99502–1032. The meeting starts at 8:30 a.m. each day in training Room #109. The council will accept comments from the public on Tuesday, December 1, from 3:00–4:00 p.m.

**FOR FURTHER INFORMATION CONTACT:** Thom Jennings, RAC Coordinator, BLM Alaska State Office, 222 W. 7th Avenue #13, Anchorage, AK 99513; tjennig@blm.gov; 907–271–3335. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, seven days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The 15-member council advises the Secretary of the Interior, through the BLM, on a variety of planning and management issues associated with public land management in Alaska. At this meeting, topics planned for discussion will include: Regional Mitigation Strategy for the Northeast National Petroleum Reserve in Alaska (NPR–A), placer mining reclamation at Jack Wade Creek, update on land transfer program, update on permitted oil production in the NPR–A, and other topics of interest to the RAC. A full agenda will be posted to the BLM Alaska RAC Web site (www.blm.gov/ak/rac) by November 20, 2015.

All meetings are open to the public. During the public comment period, depending upon the number of people wishing to comment, time for individual oral comments may be limited. Please
be prepared to submit written comments if necessary. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Individuals who plan to attend and need special assistance, such as sign language interpretation, transportation, or other reasonable accommodations, should contact the BLM RAC Coordinator listed above.

Dated: November 9, 2015.

Bud C. Cribley,
State Director.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–548 and 731–

TA–1298 (Preliminary)]

Welded Stainless Steel Pressure Pipe
From India

Determination

On the basis of the record developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of welded stainless steel pressure pipe from India, provided for in subheadings 7306.40.50 and 7306.40.10 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value ("LTFV"), and are allegedly subsidized by the government of India.

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission’s rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the Federal Register as provided in section 207.21 of the Commission’s rules, upon notice from the Department of Commerce.

The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

1

The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

entitled Welded Stainless Steel Pressure Pipe from India: Investigation Nos. 701–

TA–548 and 731–TA–1298

(Preliminary).

By order of the Commission.
Issued: November 16, 2015.

Lisa R. Barton,
Secretary to the Commission.
