INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–548 and 731–TA–1298 (Preliminary)]

Welded Stainless Steel Pressure Pipe From India

Determinations

On the basis of the record developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of welded stainless steel pressure pipe from India. Accordingly, effective September 30, 2015, the Commission, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)), instituted countervailing duty investigation No. 701–TA–548 and antidumping duty investigation No. 731–TA–1298 (Preliminary).

Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by publishing copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the Federal Register on October 7, 2015 (80 FR 60715). The conference was held in Washington, DC, on October 21, 2015, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in those investigations on November 16, 2015. The views of the Commission are contained in USITC Publication 4582 (November 2015), entitled Welded Stainless Steel Pressure Pipe from India: Investigation Nos. 701–TA–548 and 731–TA–1298 (Preliminary).

By order of the Commission.
Issued: November 16, 2015.
Lisa R. Barton,
Secretary to the Commission.
