DEPARTMENT OF HOMELAND SECURITY

United States Immigration and Customs Enforcement

Agency Information Collection Activities: Revision Notice; Student and Exchange Visitor Information System Forms I–20

ACTION: 30-Day notice of Information collection for review; Form No. I–20; Certificate of Eligibility for Nonimmigrant (F–1) Student Status—For Academic and Language Students, and the Form I–20, Certificate of Eligibility for Nonimmigrant (M–1) Student Status—For Vocational Students; OMB Control No. 1653–0038.

The Department of Homeland Security (DHS), U.S. Immigration and Customs Enforcement (ICE), is submitting the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection is published in the Federal Register (FR) to obtain comments from the public and affected agencies.

Written comments and suggestions regarding items contained in this notice should be directed to the Department of Homeland Security, Scott Elmore, Forms Management Office, U.S. Immigration and Customs Enforcement, 801 I Street NW., Mailstop 5800, Washington, DC 20536–5800.

SUMMARY: This FR notice pertains to all schools certified to enroll F–1 and/or M–1 nonimmigrant students. DHS’s Student and Exchange Visitor Program (SEVP) performs and manages these certifications, as well as oversees the F–1 and M–1 students. SEVP uses the Form I–20, Certificate of Eligibility for Nonimmigrant (F–1) Student Status—For Academic and Language Students, and the Form I–20, Certificate of Eligibility for Nonimmigrant (M–1) Student Status—For Vocational Students, which are issued solely through the Student and Exchange Visitor Information System (SEVIS), as an instrument to facilitate the oversight process and to document student eligibility for nonimmigrant benefits. The Forms I–20 are being modified to reflect current DHS branding, remove obsolete information, and modernize the forms’ layout to improve readability. The old Forms I–20 sunset on July 1, 2016; after that date, they will no longer be accepted at ports-of-entry, nor suffice for any other nonimmigrant benefit application by either F–1 and M–1 students or their F–2 and M–2 accompanying dependents.

Authority: The authority for DHS/SEVP to manage the program comes from the following sources:

- Sections 101(a)(15)(F)(i) and (M)(i), of the Immigration and Nationality Act of 1952 (INA), as amended (Pub. L. 82–414, 66 Stat. 163, June 27, 1952), codified under Title 8 of the United States Code (U.S.C.) 1101(a)(15)(F) and (M), under which a foreign national may be admitted to the United States in nonimmigrant status as:
  - A student to attend an SEVP-certified academic school or language training program (F–1),
  - A student to attend an SEVP-certified vocational or other recognized nonacademic institution (M–1), respectively, or
  - An accompanying F–2 or M–2 dependent spouse or minor child, respectively.
  - Creation of a program to collect current and ongoing information provided by schools regarding F or M nonimmigrants during the courses of their stay in the United States.
  - Use of electronic reporting technology where practicable.
- DHS certification of schools to participate in F–1 or M–1 student enrollment.

- Section 416(b) of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107–56, 115 Stat. 272, October 26, 2001 (USA PATRIOT Act), as amended, which provides for the collection of alien date of entry and port of entry information of aliens whose information is collected under 8 U.S.C. 1372.

- Homeland Security Presidential Directive No. 2 (HSPD–2), Combating Terrorism Through Immigration Policies, which requires DHS to “conduct periodic reviews of all institutions certified to receive nonimmigrant students.” “These reviews shall include checks for compliance with record keeping and reporting requirements” and authorize the termination of certification for institutions that fail to comply. Weekly Comp. Pres. Docs. 1570, 1571–72 (Oct. 29, 2001).

Accordingly, as directed by DHS, SEVP certifies, reviews, recertifies and collects data from schools enrolling F–1 and M–1 students. The specific data collection requirements for SEVP-certified schools associated with these laws are identified comprehensively in the Code of Federal Regulations (CFR) at 8 CFR 214.3.

Under the combined mandates of the USA PATRIOT Act and HSPD–2, the U.S. Immigration and Naturalization Service (INS) received funding and accelerated the development of SEVIS. Soon after, the INS published rules in the FR implementing supporting modifications to 8 CFR 214.

Nonimmigrant Classes. 67 FR 60107 (September 25, 2002); and 67 FR 76256, (December 11, 2002).

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in National Coalition for the Homeless v. Veterans Administration, No. 88–2503–OG (D.D.C.).  
Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to declare the property excess to the agency’s needs, or (2) its intention to declare the property excess to the agency’s needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.  
Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for “off-site use only” recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B–17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443–2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.  
For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.  
For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.  
Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the Federal Register, the landholding agency, and the property number.
