#### SUPPLEMENTARY INFORMATION:

##### Scope of the Order

The merchandise subject to the antidumping duty order is brass sheet and strip, other than leaded brass and tin brass sheet and strip, from Italy, which is currently classified under subheading 7409.21.00.50, 7409.21.00.75, 7409.21.00.90, 7409.29.00.50, 7409.29.00.75, and 7409.29.00.90 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS numbers are provided for convenience and customs purposes. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.<sup>2</sup> The written description is dispositive.

The Preliminary Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

##### Methodology

In accordance with sections 776(a) and (b) of the Tariff Act of 1930, as amended (the Act), we relied on facts available with an adverse inference with respect to KME Italy SpA (KME Italy), the only company for which a review was requested. Thus, we preliminarily assign a rate of 22.00 percent as the dumping margin for KME Italy. In making these findings, we relied on facts available because KME Italy failed to respond to the Department’s antidumping duty questionnaire, and

<sup>2</sup> See Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Decision Memorandum for Preliminary Results of the 2014–2015 Antidumping Duty Administrative Review: Brass Sheet and Strip from Italy” (Preliminary Decision Memorandum), dated concurrently with this notice.

thus withheld requested information, failed to provide requested information by the established deadlines, and significantly impeded this proceeding. See sections 776(a)(2)(A)–(C) of the Act. Furthermore, because we preliminarily determine that KME Italy failed to cooperate by not acting to the best of its ability to comply with the Department’s requests for information, we drew an adverse inference in selecting from among the facts otherwise available. See section 776(b) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

#### Preliminary Results of Review

As a result of our review, we preliminarily determine that the following dumping margin on BSS from Italy exists for the period March 1, 2014, through February 28, 2015:

Exporter/Manufacturer	Dumping margin (percent)
KME Italy SpA .....	22.00 percent

will be limited to those raised in the respective case briefs.

The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

#### Assessment Rates

Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If the preliminary results are unchanged for the final results we will instruct CBP to apply an *ad valorem* assessment rate of 22.00 percent to all entries of subject merchandise during the POR which were produced and/or exported by KME Italy.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of review.

#### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of BSS from Italy entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for the reviewed company will be the rate established in the final results of this review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash deposit rate will be 5.44 percent. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notifications to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation

of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 20, 2015.
