the export and reexport of medicine and basic medical supplies to Iran. On July 25, 2013, OFAC updated the list of basic medical supplies authorized by that general license to add additional items and on April 7, 2014, OFAC updated the definition of “basic medical supplies” to exclude the word “basic.” Also on April 7, 2014, OFAC expanded the

general license authorizing the export or reexport of food to Iran to include the broader category of agricultural commodities and added a new general license authorizing the export and reexport to Iran of replacement parts for certain medical devices. *See* 31 CFR 560.530(a)(2)–(4).
