NUCLEAR REGULATORY COMMISSION

[Docket Nos. 52–027 and 52–028; NRC–2008–0441]

Virgil C. Summer Nuclear Station, Units 2 and 3; South Carolina Electric & Gas Company

AGENCY: Nuclear Regulatory Commission.

ACTION: Exemption and combined license amendment; issuance.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) is granting an exemption to allow a departure from the certification information of Tier 1 of the generic design control document (DCD) and issuing License Amendment No. 35 to Combined Licenses (COL), NPF–93 and NPF–94. The COLs were issued to South Carolina Electric & Gas Company (SCE&G), and South Carolina Public Service Authority (the licensee), for construction and operation of the Virgil C. Summer Nuclear Station (VCSNS), Units 2 and 3 located in Fairfield County, South Carolina.

The granting of the exemption allows the changes to Tier 1 information requested in the amendment. Because the acceptability of the exemption was determined in part by the acceptability of the amendment, the exemption and amendment are being issued concurrently.

DATES: December 8, 2015.

The request for the amendment and exemption was submitted by the letter dated December 4, 2014 (ADAMS Accession No. ML14339A637). The licensee supplemented this request by letters dated July 23 and August 27, 2015 (ADAMS Accession Nos. ML15204A845 and ML15239A814, respectively).

FOR FURTHER INFORMATION CONTACT: Ruth Reyes, Office of New Reactors, U.S. Nuclear Regulatory Commission,
The NRC is granting an exemption from Tier 1 information in the certified DCD incorporated by reference in part 52 of title 10 of the Code of Federal Regulations (10 CFR), appendix D, “Design Certification Rule for the AP1000 Design,” and issuing License Amendment No. 35 to COLs, NPF–93 and NPF–94, to the licensee. The exemption is required by Paragraph A.4 of Section VIII, “Processes for Changes and Departures,” Appendix D to 10 CFR part 52 to allow the licensee to depart from Tier 1 information. With the requested amendment, the licensee sought proposed changes related to the structure and layout of various areas of the annex building. The proposed changes to Tier 2 information in the VCSNS Units 2 and 3 Updated Final Safety Analysis Report (UFSAR), plant-specific Tier 1 information, and corresponding COL appendix C information would allow:

1. Installation of an additional non-safety-related battery;
2. Revision to the annex building internal configuration by converting a shift turnover room to a battery room, adding an additional battery equipment room, and moving a fire area wall;
3. Increase in the height of a room in the annex building; and
4. Increase in thicknesses of certain annex building floor slabs.

Part of the justification for granting the exemption was provided by the review of the amendment. Because the exemption is necessary in order to issue the requested license amendment, the NRC granted the exemption and issued the amendment concurrently, rather than in sequence. This included issuing a combined safety evaluation containing the NRC staff’s review of both the exemption request and the license amendment. The exemption met all applicable regulatory criteria set forth in 10 CFR 50.12, 10 CFR 52.7, and 10 CFR 52.63(b)(1). The license amendment was found to be acceptable as well. The combined safety evaluation is available in ADAMS under Accession No. ML15254A216.

Identical exemption documents (except for referenced unit numbers and license numbers) were issued to the licensee for VCSNS Units 2 and 3 (COLs NPF–93 and NPF–94). These documents can be found in ADAMS under Accession Nos. ML15254A203 and ML15254A207, respectively. The exemption is reproduced (with the exception of abbreviated titles and additional citations) in Section II of this document. The amendment documents for COLs NPF–93 and NPF–94 are available in ADAMS under Accession Nos. ML15254A197 and ML15254A200, respectively. A summary of the amendment documents is provided in Section III of this document.

II. Exemption

Reproduced below is the exemption document issued to VCSNS, Units 2 and 3. It makes reference to the combined safety evaluation that provides the reasoning for the findings made by the NRC (and listed under Item 1) in order to grant the exemption:

1. In a letter dated December 4, 2014, and supplemented by letters dated July 23 and August 27, 2015, South Carolina Electric & Gas Company (licensee) requested from the Nuclear Regulatory Commission (Commission) an exemption to allow departures from Tier 1 information in the certified Design Control Document (DCD) incorporated by reference in 10 CFR part 52.

2. Accordingly, the licensee is granted an exemption to the provisions of 10 CFR part 52, appendix D, Section III.B, to allow deviations from the certified DCD Tier 1 Table 3.3–1 and Figure 3.3–11A, as described in the licensee’s request dated December 4, 2014, and supplemented by letters dated July 23 and August 27, 2015. This exemption is related to, and necessary for the granting of License Amendment No. 35, which is being issued concurrently with this exemption.

3. As explained in Section 5.0 of the NRC staff’s Safety Evaluation (ADAMS Accession No. ML15254A216), this exemption meets the eligibility criteria for categorical exclusion set forth in 10 CFR 51.22(c)(9). Therefore, pursuant to 10 CFR 51.22(b), no environmental impact statement or environmental assessment needs to be prepared in connection with the issuance of the exemption.

IV. Conclusion

Using the reasons set forth in the combined safety evaluation, the staff granted the exemption and issued the amendment that the licensee requested on December 4, 2014, and supplemented by the letters dated July 23 and August 27, 2015. The exemption and amendment were issued on October 22, 2015, as part of a combined package to the licensee (ADAMS Accession No. ML15254A194).

Dated at Rockville, Maryland, this 30th day of November 2015.
For the Nuclear Regulatory Commission.

SECURITIES AND EXCHANGE COMMISSION

Investment Advisers Act of 1940, Release No. 4285/December 2, 2015; Notice of Intention To Cancel Registrations of Certain Investment Advisers Pursuant to Section 203(H) of the Investment Advisers Act of 1940

Notice is given that the Securities and Exchange Commission (the “Commission”) intends to issue an order or orders, pursuant to Section 203(h) of the Investment Advisers Act of 1940 (the “Act”), cancelling the registrations of the investment advisers whose names appear in the attached Appendix, hereinafter referred to as the registrants.

Section 203(h) of the Act provides, in pertinent part, that if the Commission finds that any person registered under Section 203, or who has pending an application for registration filed under that section, is no longer in existence, is not engaged in business as an investment adviser, or is prohibited from registering as an investment adviser under section 203A, the Commission shall by order, cancel the registration of such person.

The registrants listed in the Appendix either have not filed a Form ADV amendment with the Commission as required by rule 204–1 under the Act and appear to be no longer in business as investment advisers, or have indicated on Form ADV that they are no longer eligible to remain registered with the Commission as investment advisers but have not filed Form ADV–W to withdraw their registration. Accordingly, the Commission believes that reasonable grounds exist for finding that these registrants are no longer in existence, are not engaged in business as investment advisers, or are prohibited from registering as investment advisers under section 203A of the Act, and that their registrations should be cancelled pursuant to section 203(h) of the Act.

Notice is also given that any interested person may, by Monday, December 28, 2015, at 5:30 p.m., submit to the Commission a request for a hearing on the cancellation of a registrant, accompanied by a statement as to the nature of the writer’s interest, the reason for such request, and the issues, if any, of fact or law proposed to be controverted, and the writer may request to be notified if the Commission should order a hearing thereon. Any such communication should be addressed: Secretary, Securities and Exchange Commission, Washington, DC 20549.

At any time after Monday, December 28, 2015, the Commission may issue an order or orders cancelling the registrations of any or all of the registrants listed in the Appendix, upon the basis of the information stated above, unless an order or orders for a hearing on the cancellation shall be issued upon request or upon the Commission’s own motion. Persons who requested a hearing, or to be advised as to whether a hearing is ordered, will receive any notices and orders issued in this matter, including the date of the hearing (if ordered) and any postponements thereof. Any adviser whose registration is cancelled under delegated authority may appeal that decision directly to the Commission in accordance with rules 430 and 431 of the Commission’s rules of practice (17 CFR 201.430 and 431).

For further information contact: Jamie Lynn Walter, Senior Counsel at 202–551–6999 (Division of Investment Management, Office of Investment Adviser Regulation).

For the Commission, by the Division of Investment Management, pursuant to delegated authority. 1
