**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** Based on affirmative final determinations by the Department of Commerce (Department) and the International Trade Commission (ITC), the Department is issuing a countervailing duty order on supercalendered paper (SC paper) from Canada.

**DATES:** *Effective Date:* December 10, 2015.

**FOR FURTHER INFORMATION CONTACT:** Dana Mermelstein or Toby Vandall, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1391 and (202) 482-1664, respectively.

**SUPPLEMENTARY INFORMATION:****Background**

On October 20, 2015, the Department published its final affirmative determination in the countervailing duty investigation of SC paper from Canada.<sup>1</sup> On December 3, 2015, the ITC notified the Department of its final determination pursuant to section

705(b)(1)(A)(i) of the Tariff Act of 1930, as amended (Act), that an industry in the United States is materially injured by reason of subsidized imports of subject merchandise from Canada.<sup>2</sup>

**Scope of the Order**

The product covered by this order is SC paper. For a complete description of the scope of the order, *see* Appendix 1 to this notice.

**Countervailing Duty Order**

In accordance with sections 705(b)(1)(A)(i) and 705(d) of the Act, the ITC has notified the Department of its final determination that the industry in the United States producing SC paper is materially injured by reason of subsidized imports of SC paper from Canada. Therefore, in accordance with section 705(c)(2) of the Act, we are publishing this countervailing duty order.

As a result of the ITC's final determination, in accordance with section 706(a) of the Act, the Department will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by the Department, countervailing duties on unliquidated entries of SC paper from Canada entered, or withdrawn from warehouse, for consumption on or after August 3, 2015, the date on which the Department published its preliminary countervailing duty determination in the **Federal Register**,<sup>3</sup> and before December 1, 2015, the date on which the Department instructed CBP to

discontinue the suspension of liquidation in accordance with section 703(d) of the Act. Section 703(d) of the Act states that the suspension of liquidation pursuant to a preliminary determination may not remain in effect for more than four months. Therefore, entries of SC paper made on or after December 1, 2015, and prior to the date of publication of the ITC's final determination in the **Federal Register** are not liable for the assessment of countervailing duties due to the Department's discontinuation, effective December 1, 2015, of the suspension of liquidation.

**Suspension of Liquidation**

In accordance with section 706 of the Act, the Department will direct CBP to reinstitute the suspension of liquidation of SC paper from Canada, effective the date of publication of the ITC's notice of final determination in the **Federal Register**, and to assess, upon further instruction by the Department pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise. On or after the date of publication of the ITC's final injury determination in the **Federal Register**, CBP must require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the rates noted below:
