Information Collection Request Title: Privacy and Security Capacity Assessment of the Title X Network

Abstract: The Office of the Assistant Secretary for Health Office of Population Affairs, (OPA) is requesting an approval by Office of Management

and Budget (OMB) for a new information collection (Privacy and Security Capacity Assessment) which seeks to collect feedback from the Title X network regarding Title X grantees' and service sites' current privacy and security capabilities for health information exchange. This voluntary form will be administered at most annually and enable the Title X network to share important information to critically inform OPA's development of Family Planning Annual Report (FPAR 2.0), as well as identify any training

assistance and inform guidance that OPA may offer in the future. OPA will solicit feedback from Title X agencies to advise our work on privacy and security, and proposes to make this data collection form available for up to 3 years so that OPA can accept feedback from the network regarding any changes or trends that might alter our approach to privacy and security as we proceed through the design and build process for the planned FPAR 2.0 data repository.
Likely Respondents: Title X Grantees, Subrecipients, and Service Sites.
