### I. Funding Opportunity Description

*Purpose of Program:* The Indian Education Formula Grants to Local Educational Agencies (Formula Grants) program provides grants to support local educational agencies (LEAs) and other eligible entities described in this notice in reforming and improving elementary and secondary school programs that serve Indian students. The Department funds comprehensive programs that are designed to help Indian students meet the same State academic content and student academic achievement standards used for all students while

addressing the language and cultural needs of Indian students. Such programs include supporting the professional development of teachers of Indian students.

In addition, under section 7116 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), the Secretary will, upon receipt of an acceptable plan for the integration of education and related services, and in cooperation with other relevant Federal agencies, authorize the entity receiving the funds under this program to consolidate all Federal formula funds that are to be used exclusively for Indian students. Instructions for submitting an integration of education and related services plan are included in the EASIE, which is described under *Application Process and Submission Information* in section IV of this notice.

**Note:** Under the Formula Grants program, applicants are required to develop the project for which an application is made: (a) In open consultation with parents and teachers of Indian students and, if appropriate, Indian students from secondary schools, including through public hearings held to provide a full opportunity to understand the program and to offer recommendations regarding the program (section 7114(c)(3)(C) of the ESEA); (b) with the participation of a parent committee selected in accordance with section 7114(c)(4) of the ESEA; and (c) with the written approval of that parent committee (section 7114(c)(4) of the ESEA).

5. *Funding Restrictions:* We reference additional regulations outlining funding restrictions under *Applicable Regulations* in section I of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:* To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are

awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following Web site: <http://fedgov.dnb.com/webform>. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN,

please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

**Note:** Once your SAM registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, [Grants.gov](http://Grants.gov).

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at [www.SAM.gov](http://www.SAM.gov). To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

**7. Other Submission Requirements:** Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

**a. Electronic Submission of Applications.**

Applications for grants under the Formula Grants program, CFDA number 84.060A, must be submitted electronically using the EASIE application located in the ED Facts System Portal at <https://eden.ed.gov>.

Applications submitted in paper format will be rejected unless you qualify for one of the exceptions to the electronic submission requirement described later in this section under *Exception to Electronic Submission Requirement*, and follow the submission rules outlined therein.

**Electronic Application System for Indian Education (EASIE):** EASIE is an easy-to-use, electronic application found in the Ed Facts System Portal at <https://eden.ed.gov>.

The EASIE application is divided into three parts.

Part I, Student Count, provides the appropriate data-entry screens to submit

your verified Indian student count totals. All applicants must submit a current Indian student count for FY 2016. Applicants must use the Indian Student Eligibility Certification Form (ED 506 Form) to document eligible Indian students; however Bureau of Indian Education schools may use either Indian School Equalization Program (ISEP) count or ED 506 Form count to verify Indian student count.

Applicants that are either an LEA or a tribe must document their Indian student counts by completing the following procedures: (1) The LEA or tribe must submit an ED 506 Form for each Indian child included in the count; (2) all ED 506 Forms included in the count must be completed, signed, and dated by the parent, and be on file with the LEA or tribe; (3) the LEA or tribe must maintain a copy of the student enrollment roster(s) covering the same period of time indicated in the application as the "count period," and (4) each Indian child included in the count must be listed on the LEA's enrollment roster(s) for at least one day during the count period.

Bureau of Indian Education schools will be required to enter either their ISEP count or ED 506 Form count as an Indian student count in Part I of the application.

In Part I, applicants will indicate the time span for the project objectives and corresponding activities and services for American Indian/Alaska Native (AI/AN) students. Applicants can choose to set objectives that remain the same for up to four years in order to facilitate data collection and enhance long-term planning. Grantees that have previously established multiyear project objectives will not have to re-enter information in EASIE Part II if they have no changes to their project objectives, activities, or coordination of services. Grantees that previously established multiyear project objectives and would like to change the objectives, activities, or coordination of services for FY 2016 will need to indicate in Part I the duration of the new selections.

In EASIE Part II, new applicants or applicants making changes to either the objectives, activities, or coordination of services must: (1) Identify, from a list of possible programs (e.g., ESEA title I), the programs in the school district that are currently coordinated with a title VII project, or with which the school district plans to coordinate during the project year, in accordance with the statutory requirement to provide a comprehensive program that includes other Federal, State, and local funds; (2) describe the coordination of services for AI/AN students and identify specific

project objectives towards the goal of providing culturally responsive education for AI/AN students to meet their academic needs and help them meet State achievement standards and choose the data sources that will be used to measure progress towards meeting project objectives, and on which you will report in the APR after the grant year closes; and (3) submit a realistic program budget based on the estimated grant amount that the EASIE system calculates from the Indian student count you submitted in EASIE Part I. After the initial grant amounts are determined, additional funds may become available due to such circumstances as withdrawn applications or reduction in an applicant's student count. An applicant whose award amount increases or decreases more than \$1,000 must submit a revised budget prior to receiving its grant award but will not need to re-certify its application. For an applicant that receives an increase or decrease in its award of less than \$1,000, there will be no need for further action. For any applicant that receives notification of an increased award amount following submission of its original budget, the applicant must allocate the increased amount only to previously approved budget categories.

In EASIE Part III, grantees must submit a performance report. More information on annual performance reporting is provided later in section V. of this notice, titled *Grant Administration Information* under part 3. *Reporting*.

**Registration for Formula Grant EASIE:** Current, former, and new applicants interested in submitting an Indian Education Formula Grant EASIE application must register for Formula Grant EASIE. Entities are encouraged to register as soon as possible at the registration Web site [www.easie.org](http://www.easie.org), to ensure that any potential registration issues are resolved prior to the deadline for the submission of an application. Through this initial registration, an entity activates or re-activates access to EASIE and ensures that the correct entity information (e.g., NCES or DUNS numbers) is pre-populated into the first part of Formula Grant EASIE. Registration at this Web site *does not* serve as the entity's grant application. For assistance registering, contact the ED Facts Partner Support Center listed under *Agency Contacts* in section VI of this notice.

**Certification for Formula Grant EASIE:** The applicant's authorized representative, who must be authorized by the applicant/able to legally bind the applicant, must certify Part I, Part II and

Part III of EASIE. Only users with the role type “managing user” or “certifying official user” in the EASIE system can certify an application. The certification process ensures that the information in the application is true, reliable, and valid. An applicant that provides a false statement in the application is subject to penalties under the False Claims Act, 18 U.S.C. 1001.

**Exception to Electronic Submission Requirement:** You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the EASIE system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload documents to the EASIE system; and

- No later than two weeks before the application deadline date for Part I (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Bernard Garcia, U.S. Department of Education, Office of Indian Education, 400 Maryland Avenue SW., Room 3W115, Washington, DC 20202–6335. FAX: (202) 205–0606.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

**b. Submission of Paper Applications by Mail.**

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

**Note:** The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date for Part I or Part II.

**c. Submission of Paper Applications by Hand Delivery.**

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline dates for both Part I and Part II, to the Department at the following address: U.S. Department of Education, Office of Indian Education, Attention: CFDA Number 84.060A, 400 Maryland Avenue SW., Room 3W115, Washington, DC 20202–6335.

The program office accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

**Note For Mail or Hand Delivery of Paper Applications:** If you mail or hand deliver your application to the Department—

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The program office will mail you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should contact the program office at (202) 260–3774.

**V. Grant Administration Information**

**1. Risk Assessment and Special Conditions:** Consistent with 2 CFR 200.205, before awarding grants under this program the Department conducts a review of the risks posed by applicants.

Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

**2. Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice. We reference the regulations outlining the terms and conditions of a grant in the *Applicable Regulations* section of this notice.

**3. Reporting:** (a) If you apply for a grant under this program, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) You must submit a performance report using the ED*Facts* System Portal at <https://eden.ed.gov>, including financial information, as directed by the Secretary, within 90 days after the close of the grant year. The performance report is located within EASIE as Part III.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

**4. An invitation to participate and an explanation of this proposed experimental site was published separately in the **Federal Register**. This experimental site project is designed to explore ways to increase access for low-income students to high-quality innovate programs in higher education through the engagement of institutions of higher education (IHEs) with non-IHE providers and quality assurance entities that can develop new quality assurance processes for student and taxpayer protection. The data and information collected can provide valuable guidance for the Department in determining future policy in these areas.
