

**BQARP**

To improve boundary quality in the Census Bureau's Master Address File/ Topologically Integrated Geographic Encoding and Referencing (MAF/TIGER) System, the Census Bureau is introducing BQARP to support the BAS program. BQARP is a project to assess, analyze, and improve the spatial quality of legal and administrative boundaries within MAF/TIGER. Ensuring quality boundaries is a critical component of the geographic preparations for the 2020 Census and the Census Bureau's ongoing Geographic Partnership Programs (GPPs) and surveys. In addition, the improvement of boundary quality is an essential element of the Census Bureau's commitment as the responsible agency for legal boundaries under the Office of Management and Budget (OMB) Circular A-16. The goal of BQARP is to establish a new, accurate baseline for boundaries within an entire state or county, which the BAS would then continue with the collection of annexations and deannexations on a transaction basis as they occur over time. The estimated work burden for participation is 25 hours per participant.

**Research Projects**

BAS continues to work to improve the survey based on feedback received from local governments. The Census Bureau plans to conduct two research projects during 2016. The first research project is for BAS form redesign for potential use for the 2017 BAS Forms. The second research project is to test an option for local governments to provide a list of addresses associated with an annexation to continue to improve data quality in MAF/TIGER. Participation is voluntary for these research projects. The estimated work burden for participation is 3 hours per participant.

**SUPPLEMENTARY INFORMATION:****Background**

On June 30, 2015, DAK Americas, LLC ("Petitioner") submitted a request for administrative review of the antidumping duty order on PSF from the PRC for five companies.<sup>1</sup> No other party requested an administrative review. On August 3, 2015, the Department published the notice of initiation of an administrative review of the order for the period of review June 1, 2014, through May 31, 2015.<sup>2</sup> On September 8, 2015, Petitioner withdrew its requests for review for all five companies.<sup>3</sup>

**Rescission of Review**

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. As noted above, Petitioner withdrew its requests for administrative reviews within 90 days of the publication date of the notice of initiation. No other parties requested an administrative

review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

**Assessment**

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries of PSF from the PRC. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

**Notifications**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
