Text of Proposed Contract Standard for Contractor Workforce Inclusion

Note: The Text of this Proposed Contract Standard will not appear in the Code of Federal Regulations.

Contractor Workforce Inclusion

Authority: 12 U.S.C. 5452; Sec. 342, Pub. L. 111–203.

Scope

The agency will include the *Contractor Workforce Inclusion* contract standard in all Commission solicitations and resulting contracts for services with a dollar value of \$100,000 or more.

Contract Standard

The following contract standard shall be included in all Commission solicitations and resulting contracts for services with a dollar value of \$100,000 or more.

Contractor Workforce Inclusion

The Contractor confirms its commitment to equal opportunity in employment and contracting, and that it shall ensure, to the maximum extent possible and consistent with applicable law, the fair inclusion of minorities and women in its workforce.

The Contractor shall insert the substance of this contract standard in each subcontract for services awarded for performance of this contract with a dollar value of \$100,000 or more.

Within ten (10) business days of a written request from the Director of the Commission's Office of Minority and Women Inclusion (OMWI Director) or designee, or such longer time as the OMWI Director or designee determines, and without any additional consideration, action or authorization required from the OMWI Director, the Contractor shall provide documentation, satisfactory to the OMWI Director, of the actions it has undertaken (and as applicable, the actions each covered subcontractor under the contract has undertaken) to demonstrate its good faith efforts to comply with the aforementioned provisions.

For purposes of this contract, "good faith efforts" shall include actions by the Contractor (and as applicable, actions by each covered subcontractor under the Service Contract) to identify and, if present, remove barriers to minority and women employment or

expansion of employment opportunities for minorities and women within its workforce. Efforts to remove such barriers may include, but are not limited to, recruiting to ensure that applicant pools include minorities and women, providing job-related training, or other activity that could lead to removing such barriers.

The documentation requested by the OMWI Director or designee to demonstrate good faith efforts may include, but is not limited to, one or more of the following:

a. The total number of Contractor's employees, and the number of employees by race, ethnicity, gender, and job title or EEO–1 Report job category (e.g., EEO–1 Report(s));

b. A list of covered subcontract awards for services under the contract, and for each covered subcontract award, the dollar amount, date of award, and the subcontractor's race, ethnicity, and/or gender ownership status;

c. The contractor's plan for ensuring the fair inclusion of minorities and women in its workforce, including outreach efforts; and

d. For each covered subcontractor, the documentation specified in paragraphs a. and c. above.

Consistent with Section 342(c)(3) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), 12 U.S.C. 5452(c)(3), a Contractor's failure to demonstrate to the OMWI Director that it has made good faith efforts to include minorities and women in its workforce (and as applicable, failure to demonstrate that its subcontractor(s) has made such good faith efforts) may result in termination of the contract for default after the contractor is provided written notice and an opportunity to cure the failure in accordance with the procedures set forth in FAR 49.402–3(d), other contractual remedies, referral to the Office of Federal Contract Compliance Programs (OFCCP), or other appropriate action.

Compliance with this standard does not necessarily satisfy the requirements of EO 11246, as amended, nor does it preclude OFCCP compliance evaluations and/or enforcement actions undertaken pursuant to that Executive Order, or demonstrate compliance with other FAR clauses that may be included in this contract.

For purposes of this contract standard, the term "minority" shall have the meaning set forth in section 342(g) of the Dodd-Frank Act.

Dated: February 10, 2015.

By the Commission.

Brent J. Fields,
Secretary.

DATES: The initial round of the InnovateHER Challenge will take the form of local competitions that will be run across the country beginning March 1, 2015 and ending no later than March 31, 2015. The host organizations running the local competitions must select and submit one winner from each local competition to SBA, along with a Nomination package, no later than April 1, 2015. SUPPLEMENTARY INFORMATION:

1. *Subject of Challenge Competition:* The SBA is looking for innovative products and services that help impact and empower the lives of women and families. We know that our workforce looks very different from 50 years ago. Women now make up nearly half of the labor force and play a critical role in our nation’s economic prosperity. Most children live in households where all parents work. And as our population ages, families are increasingly caring for aging parents while balancing the needs of work and home. As the demands on women and families grow, the need for products and services that address these unique challenges increases. This challenge will provide a platform to fulfill that need.

Contestants must develop a product or service that meets the following competition criteria:

- Has a measurable impact on the lives of women and families (30%);
- Has the potential for commercialization (40%); and
- Fills a need in the marketplace (30%).

2. *Eligibility Rules for Participating in the Competition:* This Challenge is open only to: (1) Citizens or permanent residents of the United States who are at least eighteen (18) years of age at the time of their submission of an entry (or teams of such individuals); and (2) private entities, such as corporations or other organizations, that are incorporated in and maintain a primary place of business in the United States. Individuals submitting on behalf of corporations, nonprofits, or groups of individuals (such as an academic class or other team) must meet the eligibility requirements for individual contestants. An individual may belong to more than one team submitting an entry in this Challenge. SBA employees are not eligible, nor are Federal entities or Federal employees acting within the scope of their employment. Individuals or organizations that are currently suspended or barred by the federal government are not eligible for this competition.

3. *Registration Process for Participants:* The initial round of the Challenge will take the form of local competitions that will be run across the country during the month of March 2015 by host organizations such as universities, accelerators, clusters, scale-
