SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–76760; File No. SR–NASDAQ–2015–154]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Participant Fee

December 23, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on December 17, 2015, The NASDAQ Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes [sic] amend the Exchange's transaction fees at Chapter XV, entitled “Options Pricing,” Section 10, entitled “Participant Fee—Options.”

The Exchange purposes [sic] an increase to its Participant Fee to recoup costs incurred by the Exchange. The Exchange's Participant Fee is competitive with those of other options exchanges.³ While the amendment proposed herein is effective upon filing, the Exchange has designated the amendment [sic] become operative on January 4, 2016.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b–4.

³ See note 14 below.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**1. Purpose**

The Exchange proposes to increase the NOM Participant Fee, so the Exchange can allocate its costs to various options market participants. Today, the Exchange assesses all NOM Participants a \$500 per month Participant Fee. This fee was initially assessed in 2012.⁴ The Exchange proposes to increase this Participant Fee from \$500 to \$1,000 per month for all NOM Participants. The proposed Participant Fee is in addition to the trading rights fee of \$1,000 per month to be an Exchange member.⁵

The Exchange believes this Participant Fee is competitive with fees at other options exchanges.⁶

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁷ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act⁸ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which the Exchange operates or controls, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Commission and the courts have repeatedly expressed their preference for competition over regulatory intervention in determining prices, products, and services in the securities markets. In Regulation NMS, for example, the Commission indicated that
