Several developments precipitated this request, including:

1. In discussions with NMFS headquarters, the Agency confirmed that the Council can directly request emergency action on these species within our Council's jurisdiction.

2. Council Chairman Rick Robins was contacted by a commercial North Carolina long-liner who indicated that he intends to begin directing on blue-line tilefish in June of this year, within our Council's jurisdiction, and intends to land the fish in New Jersey, where there are no landing limits.
