Purpose of Program: The OSP provides low-income students residing in the District of Columbia (DC) an opportunity to receive a scholarship to attend a DC private school of their parents’ choice.

Background: The OSP was established in 2004 under the DC School Choice Incentive Act of 2003 (School Choice Incentive Act) (Title III of Division C of the Consolidated Appropriations Act, 2004; Pub. L. 108–199 Stat. 3 (2004)). In 2011, Congress reauthorized the OSP under the Scholarships for Opportunity and Results Act (SOAR Act, Division C of the Pub. L. 112–10).

For FY 2015, the Department will award one grant to an eligible applicant to administer the OSP. The grant will be awarded in the form of a cooperative agreement between the Department and the grantee. This grantee is expected to explain in its application, among other things, how it would recruit and select eligible scholarship applicants in years that scholarships are awarded, serve scholarship students and families in a timely manner, identify and work with participating schools, monitor compliance of participating schools with program and reporting requirements, maintain reliable data regarding the operation of the program, and ensure appropriate coordination with the other entities that conduct activities related to this program.

Application Requirements: The following requirements are from section 3005(b) of the SOAR Act and apply to all applications submitted by eligible entities under this competition. Each entity’s application must include a detailed description of—

(A) How the entity will address the priorities described in section 3006 of the SOAR Act;

(C) How the entity will ensure that if more participating eligible students seek admission to a participating school than the school can accommodate, participating eligible students are selected for admission through a random selection process;

(D) How the entity will notify parents of eligible students of the expanded choice opportunities in order to allow the parents to make informed decisions;

(E) The activities that the entity will carry out to provide information to eligible students with expanded choice opportunities through the awarding of...
scholarships under section 3007(a) of the SOAR Act;

(F) How the entity will determine the amount that will be provided to parents under section 3007(a)(2) of the SOAR Act for the payment of tuition, fees, and transportation expenses, if any;

(G) How the entity will seek out private elementary schools and secondary schools in District of Columbia to participate in the program;

(H) How the entity will ensure that each participating school will meet the reporting and other program requirements under the SOAR Act;

(I) How the entity will ensure that participating schools submit to site visits by the entity as determined to be necessary by the entity, except that a participating school may not be required to submit to more than 1 site visit per school year;

(J) How the entity will ensure that participating schools are financially responsible and will use the funds received under section 3007 of the SOAR Act effectively;

(K) How the entity will address the renewal of scholarships to participating eligible students, including continued eligibility; and

(L) How the entity will ensure that a majority of its voting board members or governing organization are residents of District of Columbia.

The entity must also provide in its application an assurance that the entity will comply with all requests regarding any evaluation carried out under section 3009(a) of the SOAR Act.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the program contact person listed in this notice.

2. a. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition.

Notice of Intent to Apply: March 25, 2015. The Department will be able to develop a more efficient process for reviewing grant applications if it has a better estimate of the number of entities that intend to apply for funding under this competition. Therefore, the Department strongly encourages each potential applicant to notify the Department by sending a short email message indicating the applicant’s intent to submit an application for funding. The email need not include information regarding the content of the proposed application, only the applicant’s intent to submit it. The Department requests that this email notification be sent to DCOSP2015@ed.gov.

Eligible entities that fail to provide this email notification may still apply for funding. Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the application requirements and selection criteria that reviewers use to evaluate your application. We suggest you limit the application narrative to the equivalent of no more than 50 pages, using the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, except for titles,
We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under FOR FURTHER INFORMATION CONTACT in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

4. Intergovernmental Review: This competition is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

5. Funding Restrictions: We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management: To do business with the Department of Education, you must—a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry (CCR)), the Government’s primary registrant database; c. Provide your DUNS number and TIN on your application; and d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, depending on the completeness and accuracy of the data entered into the SAM database by an entity. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, you will need to allow 24 to 48 hours for the information to be available in Grants.gov and before you can submit an application through Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: http://www2.ed.gov/fund/grant/apply/sam-faqs.html.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: www.grants.gov/web/grants/register.html.

7. Other Submission Requirements: Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications. Applications for grants under the OSP, CFDA number 84.370A, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grant.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written
statement to the Department that you qualify for one of these exceptions. Further information regarding the calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the OSP at www.Grants.gov. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number’s alpha suffix in your search (e.g., search for 84.370, not 84.370A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted before date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.
- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.
- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department’s G5 system home page at www.G5.gov.
- You will not receive additional points for submitting your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.
- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material.
- Your electronic application must comply with any page-limit requirements described in this notice.
- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by email. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).
- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues With the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1–800–518–4726. You must obtain a Grants.gov Support Desk Case Number and maintain a record of it. If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under FOR FURTHER INFORMATION CONTACT in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Jeanne Gilroy, U.S. Department of Education, 400 Maryland Avenue SW., Room 4W227, Washington, DC 20202–5960. FAX: (202) 205–630.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.370A), LBJ Basement Level 1, 400 Maryland Avenue SW., Washington, DC 20202–4260.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.
(2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.370A), 550 12th Street SW., Room 7039, Potomac Center Plaza, Washington, DC 20202–4260.

The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: The long-term performance indicator for this program is whether, at the end of the program, the student achievement gains of participants are greater than those of students in control or comparison groups. Data for the performance measure will be collected through the program evaluation.
