

imbalance halt with the approval of a Floor Governor or two Floor Officials, which is the existing process for invoking a halt on the Exchange pursuant to Rule 123D. The Exchange believes that invoking an order imbalance halt, which would similarly halt trading on the Exchange only, would be appropriate because it would provide notice to the public of an order imbalance in a stock and an opportunity for the price discovery process to continue consistent with Rule 123D, including the requirement for publishing indications. The Exchange believes that for a significant order imbalance, using the existing reopening process rather than a Midday Auction would perfect the mechanism of a free and open market and national market system and protect investors and the public interest because it would provide an opportunity for greater price discovery that would not be restricted by LULD Price Bands.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed Midday Auction would only pause trading on the Exchange and would not prevent market participants from directing order flow in Midday Auction Stocks to other markets and trading venues during the auction. The proposed Midday Auction would also be available to all market participants on the Exchange each day at the same time. Further, the Exchange believes that by providing an additional opportunity to execute orders in thinly-traded securities hours before the close of trading, the proposed rule change would further the price discovery process and enhance competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register**, or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which

the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2015-0005]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections and one new information collection.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB), Office of Management and

Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov. (SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov.

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2015-0005].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than April 24, 2015. Individuals can obtain copies of the collection instruments by writing to the above email address.

²⁹ 17 CFR 200.30-3(a)(12).

1. Data Exchange Request Form—0960–NEW. SSA maintains approximately 3,000 data exchange agreements and regularly receives new requests from Federal, State, local, and foreign governments, as well as private organizations, to share data electronically. SSA engages in various forms of data exchanges from Social Security number verifications to

computer matches for benefit eligibility, depending on the requestor’s business needs. Section 1106 of the Social Security Act (Act) requires we consider the requestor’s legal authority to receive the data, our disclosure policies, systems’ feasibility, systems’ security, and costs before entering into a data exchange agreement. We will use Form SSA–157, Data Exchange Request Form,

for this purpose. Requesting agencies, governments, or private organizations will use the form when voluntarily initiating a request for data exchange from SSA. Respondents are Federal, State, local, and foreign governments, as well as private organizations seeking to share data electronically with SSA.

Type of Request: This is a new information collection.

Modality of completion	Number of responses	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–157	60	1	30	30

2. Request for Withdrawal of Application—20 CFR 404.640—0960–0015. Form SSA–521 documents the information SSA needs to process the withdrawal of an application for benefits. A paper Form SSA–521 is our preferred instrument for executing a withdrawal request; however, any

written request for withdrawal signed by the claimant or a proper applicant on the claimant’s behalf will suffice. Individuals who wish to withdraw their applications for benefits complete Form SSA–521, or sign the completed form for each request to withdraw. SSA uses the information from the SSA–521 to

process the request for withdrawal. The respondents are applicants for Retirement, Survivors, Disability, and Health Insurance benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Total estimated annual burden (hours)
SSA–521	39,000	1	5	3,250

3. Statement of Self-Employment Income—20 CFR 404.101, 404.110, 404.1096(a)–(d)—0960–0046. To qualify for insured status and thus collect Social Security benefits, self-employed individuals must demonstrate they earned the minimum amount of self-employment income (SEI) in a current

year. SSA uses Form SSA–766, Statement of Self-Employment Income, to collect the information we need to determine if the individual will have at least the minimum amount of SEI needed for one or more quarters of coverage in the current year. Based on the information we obtain, we may

credit additional quarters of coverage to give the individual insured status thus expediting benefit payments. Respondents are self-employed individuals who may be eligible for Social Security benefits.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Total estimated annual burden (hours)
SSA–766	2,500	1	5	208

4. Request for Workers’ Compensation/Public Disability Benefit Information—20 CFR 404.408(e)—0960–0098. Claimants for Social Security disability payments who are also receiving Worker’s Compensation/Public Disability Benefits (WC/PDB) must notify SSA about their WC/PDB, so the agency can reduce claimants’

Social Security disability payments accordingly. If claimants provide necessary evidence, such as a copy of their award notice, benefit check, etc., that is sufficient verification. In cases where claimants cannot provide such evidence, SSA uses Form SSA–1709. The entity paying the WC/PDB benefits, its agent (such as an insurance carrier),

or an administering public agency complete this form. The respondents are Federal, State, and local agencies, insurance carriers, and public or private self-insured companies administering WC/PDB benefits to disability claimants.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Total estimated annual burden (hours)
SSA–1709	120,000	1	15	30,000

II. SSA submitted the information collection below to OMB for clearance. Your comments regarding the information collection would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than March 25, 2015. Individuals can obtain copies of the OMB clearance package by

writing to *OR.Reports.Clearance@ssa.gov*.
 Application for Mother's or Father's Insurance Benefits—20 CFR 404.339–404.342, 20 CFR 404.601–404.603—0960–0003. Section 202(g) of the Act provides for the payment of monthly benefits to the widow or widower of an insured individual if the surviving spouse is caring for the deceased worker's child (who is entitled to Social Security benefits). SSA uses the

information on Form SSA–5–BK to determine an individual's eligibility for mother's or father's insurance benefits. The respondents are individuals caring for a child of the deceased worker who is applying for mother's or father's insurance benefits under the Old Age, Survivors, and Disability Insurance program.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Total estimated annual burden (hours)

MCS/Signature Proxy	26,044	1	14	6,077
Total	53,700	12,991

Dated: February 18, 2015.
