may be assisted by other Federal, State, or local agencies with the enforcement of the safety zone.

(f) Authorization. All vessel operators who desire to enter the safety zone must obtain permission from the Captain of the Port or Designated Representative by contacting either the on-scene patrol craft on VHF Ch 13 or Ch 16 or the Coast Guard Sector Columbia River Command Center via telephone at (503) 861–6211.

Dated: January 30, 2015.

D.J. Travers, 
Captain, U.S. Coast Guard, Captain of the Port, Sector Columbia River.

SUPPLEMENTARY INFORMATION: In the final rules section of this Federal Register, EPA is approving LDEQ’s request for delegation of authority to implement and enforce certain NSPS and NESHAP for all sources (both part 70 and non-part 70 sources). LDEQ has adopted certain NSPS and NESHAP by reference into Louisiana’s state regulations. In addition, EPA is waiving its notification requirements so sources will only need to send notifications and reports to LDEQ.

The EPA is taking direct final action without prior proposal because EPA views this as a noncontroversial action and anticipates no adverse comments. A detailed rationale for this approval is set forth in the preamble to the direct final rule. If no relevant adverse comments are received in response to this action, no further activity is contemplated. If EPA receives relevant adverse comments, the direct final rule will be withdrawn, and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting must do so at this time. If EPA receives relevant adverse comment on an amendment, paragraph, or section of the rule and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment.

For additional information, see the direct final rule which is located in the Rules section of this Federal Register.

Dated: January 28, 2015.

Samuel Coleman, 
Acting Regional Administrator, Region 6.
