burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act\(^6\) and Rule 19b–4(f)(6)(iii) thereunder.\(^7\)

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow the obvious error pilot program to continue uninterrupted while the industry gains further experience operating under the Plan to Address Extraordinary Market Volatility, and avoid any investor confusion that could result from a temporary interruption in the pilot program. For this reason, the Commission designates the proposed rule change to be operative upon filing.\(^8\)

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

BILLING CODE 8011–01–P

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 8.15 Entitled “Imposition of Fines for Minor Violation(s) of Rules”

February 18, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),\(^1\) and Rule 19b–4 thereunder,\(^2\) notice is hereby given that on February 5, 2015, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act\(^3\) and Rule 19b–4(f)(6)(iii) thereunder,\(^4\) which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend Rule 8.15 entitled “Imposition of Fines for Minor Violation(s) of Rules.” The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

---

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 8.15 in order to make it substantively identical to the corresponding rules on EDGX Exchange, Inc. (“EDGX”) and EDGA Exchange, Inc. (“EDGA”), as further described below. Earlier this year, the Exchange and its affiliate, BATS Y-Exchange, Inc. (“BYX”), received approval to effect a merger (the “Merger”) of the Exchange’s parent company, BATS Global Markets, Inc., with Direct Edge Holdings LLC, the indirect parent of EDGX, and EDGA (together with BYX, EDGY and EDGX, the “BGM Affiliated Exchanges”). In the context of the Merger, the BGM Affiliated Exchanges are working to align certain system and regulatory functionality, retaining only intended differences between the BGM Affiliated Exchanges. Thus, the proposal set forth below is intended to amend Rule 8.15 in order to make the rule substantively identical to corresponding rules on EDGA and EDGX related to minor violations of exchange rules in order to provide a consistent regulatory approach across each of the BGM Affiliated Exchanges.

Currently, Rule 8.15(a) provides that, in lieu of commencing a disciplinary proceeding as described in Rules 8.1 through 8.13, the Exchange may, subject to the requirements set forth in this Rule, impose a fine, not to exceed $2,500, on any Member, associated person of a Member, or registered or non-registered employee of a Member, for any violation of a Rule of the Exchange, which violation the Exchange shall have determined is minor in nature. The Exchange is proposing to add language in order to make Rule 8.15(a) and Interpretation and Policy .01 to Rule 8.15 identical to the corresponding EDGA and EDGX rules. Specifically, the Exchange is proposing that the Exchange may, if no exceptional circumstances are present, impose a fine based upon a determination that there exists a pattern or practice of violative conduct. As proposed, the Exchange also may aggregate similar violations generally if the conduct was unintentional, there was no injury to public investors, or the violations resulted from a single systemic problem or cause that has been corrected.

Currently, under Interpretation and Policy .01 to Rule 8.15, the Exchange fines individuals $100, $300, and $500 and Member firms $500, $1,000, and $2,500 for their first, second, and third time fined under Rule 8.15 within a rolling 12-month period, respectively, for the following violations of Exchange rules: (a) Rule 4.2 and Interpretation and Policy thereunder requiring the submission of responses to Exchange requests for trading data within a specified time period; (b) Rule 11.19 requirement to identify short sale orders as such; and (c) Rule 11.20 requirement to comply with locked and crossed market rules. The Exchange is proposing to add two additional instances to the fine structure described above. These additional instances include: (1) Rule 3.5 Advertising Practices; and (2) Rule 12.11 Interpretation and Policy .01 and Exchange Act Rule 604—Failure to properly display limit orders.

The Exchange is also proposing to make several non-substantive changes to Interpretation and Policy .01 to Rule 8.15. First, the Exchange is proposing to change the numbering within the rule to reflect the additions described above. Second, the Exchange is proposing to change the phrase “limit orders” in paragraph (e) of Interpretation and Policy .01 to Rule 8.15 to “quotations.” The Exchange believes that this change is non-substantive because, in this instance, the terms limit orders and quotations are interchangeable. Paragraph (e) is referring to the obligation of a Market Maker under Rule 11.8 to maintain continuous liquidity of both buy and sell orders, which are referred to as quotes or quotations in Rule 11.8, at certain prices. Based on Exchange functionality, the only way to enter priced orders that could meet such quotation obligations would be through use of limit orders. As such, the Exchange believes that the proposed change is non-substantive, makes the rule more clear, and more accurately reflects the language used in Exchange Rule 11.8. Further, the change would make the rule text identical to that of EDGA and EDGX.

2. Statutory Basis

The Exchange believes that the rule change proposed in this submission is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act. Specifically, the proposed change is consistent with Section 6(b)(5) of the Act. Because it is designed to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, to protect investors and the public interest. As mentioned above, the proposed rule changes, combined with the planned filing for BYX, would allow the BGM Affiliated Exchanges to provide a consistent set of rules as it relates to the imposition of fines for minor violations of rules across each of the exchanges. Consistent rules, in turn, will simplify the regulatory requirements for Members of the Exchange that are also participants on BYX, EDGA, and/or EDGX. The proposed rule change would provide greater harmonization between rules of similar purpose on the BGM Affiliated Exchanges, resulting in greater uniformity and less burdensome and more efficient regulatory compliance. As such, the proposed rule change would foster cooperation and coordination with persons engaged in facilitating transactions in securities and would remove impediments to and perfect the mechanism of a free and open market and a national market system.

Specifically, the changes to Rule 8.15(a) and the addition of new paragraphs (d) and (e) to Interpretation and Policy .01 of Rule 8.15 will provide the Exchange with additional ways to handle related minor violations as well as providing the Exchange with the ability to handle other rule violations which it believes to be minor under Rule 8.15. The Exchange believes that, in addition to the benefits to Members described above, the proposal will enhance the Exchange’s ability to efficiently regulate its Members, meaning that the proposed rule change is equitable and will promote fairness in the market place.

Further, the Exchange believes that the proposal is consistent with Sections 8 15 U.S.C. 76b(b).
10 See supra note 7.
6(b)(1) and 6(b)(6) of the Act 11 which require that the rules of an exchange 
enshrine compliance with, and provide 
appropriate discipline for, violations of 
the Commission and Exchange rules. 
The Exchange also believes that the 
proposal is consistent with the public 
interest, the protection of investors, or 
otherwise in furtherance of the purposes 
of the Act because the proposal helps to 
strengthen the Exchange’s ability to 
carry out its oversight and enforcement 
responsibilities as a self-regulatory 
organization in cases where full 
disciplinary proceedings are unsuitable 
in view of the minor nature of a 
particular violation. 
Finally, the Exchange believes that 
the non-substantive changes discussed 
above will contribute to the protection 
of investors and the public interest by 
helping to avoid confusion with respect 
to Exchange rules.

B. Self-Regulatory Organization’s 
Statement on Burden on Competition 
The Exchange does not believe that 
the proposed rule change will impose 
any burden on competition not 
necessary or appropriate in furtherance 
of the purposes of the act. To the 
contrary, allowing the Exchange to 
implement substantively identical rules 
related to the imposition of fines for 
minor violations of rules across each of 
the BGM Affiliated Exchanges does not 
present any competitive issues, but 
rather is designed to provide greater 
harmonization among Exchange, BYX, 
EDGA, and EDGX rules of similar 
purpose, resulting in less burdensome 
and more efficient regulatory 
compliance for common members of the 
BGM Affiliated Exchanges and an 
enhanced ability of the BGM Affiliated 
Exchanges to fairly and efficiently 
regulate members, which will further 
enhance competition.

C. Self-Regulatory Organization’s 
Statement on Comments on the 
Proposed Rule Change Received From 
Members, Participants or Others 
The Exchange has neither solicited 
or received written comments on the 
proposed rule change.

III. Date of Effectiveness of the 
Proposed Rule Change and Timing for 
Commission Action 
Because the foregoing proposed rule 
change does not: (i) Significantly affect 
the protection of investors or the public 
interest; (ii) impose any significant 
burden on competition; and (iii) become 
operative for 30 days from the date on 
which it was filed, or such shorter time 
as the Commission may designate, it has 
become effective pursuant to Section 
19(b)(3)(A) of the Act 12 and paragraph 
of Rule 19b–4(f)(6) thereunder. 13 
At any time within 60 days of the 
filing of the proposed rule change, the 
Commission summarily may 
temporarily suspend such rule change if 
it appears to the Commission that such 
action is necessary or appropriate in the 
public interest, for the protection of 
investors, or otherwise in furtherance of 
the purposes of the Act.
