Information Collection Request Title: Health Center Program Application Forms OMB No. 0915-0285—Revision

Abstract: Health Centers (those entities funded under Public Health

Service Act section 330 and Health Center Program Look-Alikes) deliver comprehensive, high quality, cost-effective primary health care to patients regardless of their ability to pay. Health centers have become an essential primary care provider for America's most vulnerable populations. Health centers advance the preventive and primary medical/health care home model of coordinated, comprehensive, and patient-centered care; providing a wide range of medical, dental, behavioral, and social services. More than 1,300 health centers operate more than 9,000 service delivery sites that provide care in every state, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, and the Pacific Basin.

The Health Center Program is administered by HRSA's Bureau of Primary Health Care (BPHC). HRSA/BPHC uses the following application forms to oversee the Health Center Program.

Need and Proposed Use of the Information: BPHC Health Center Program-specific forms are critical to Health Center Program grant and non-grant award processes and for Health Center Program oversight. The purpose of these forms is to provide HRSA staff and objective review committee panels information essential for application evaluation, funding recommendation and approval, designation, and monitoring. These forms also provide HRSA staff with information essential for ensuring compliance with Health Center Program legislative and regulatory requirements. These application forms are used by existing health centers and other organizations to apply for various grant and non-grant opportunities, renew their grant or non-grant designation, and change their scope of project.

Most of the Health Center Program-specific forms do not require any changes with this revision. HRSA intends to revise some of the forms to streamline and clarify data already being requested (Form 1A, 1B, 2, 3, 5A, 5B, 6A, 8, Performance Measures, Project Work Plan) and change several form names (changing Form 3A to Look-Alike Budget Information, Form 10 to Emergency Preparedness Report, and Increased Demand for Services to Project Narrative). HRSA also intends to add six new forms. The Supplemental Information form and Summary Page will consolidate important application information that is usually found distributed throughout the application, including eligibility criteria and projected goals. These forms would require applicant confirmation that the information provided is accurate. Two
