II. Introduction

This notice informs the public of FHFA's proposal to revise in its entirety an existing system of records. This notice satisfies the Privacy Act requirement that an agency publish a system of records notice in the **Federal Register** when there is an addition to the agency's system of records. It has been recognized by Congress that application of all requirements of the Privacy Act to certain categories of records may have an undesirable and often unacceptable effect upon agencies in the conduct of necessary public business. Consequently, Congress established general exemptions and specific exemptions that could be used to exempt records from provisions of the Privacy Act. Congress also required that exempting records from provisions of the Privacy Act would require the head of an agency to publish a determination to exempt a record from the Privacy Act as a rule in accordance with the Administrative Procedure Act. The Director of FHFA has determined that records and information in this revised system of records are not exempt from requirements of the Privacy Act.

As required by the Privacy Act, 5 U.S.C. 552a(r), and pursuant to paragraph 4c of Appendix I to OMB Circular No. A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," dated February 8, 1996 (61 FR 6428, 6435
