I. Background

In FR Doc. 2015–25595 of October 16, 2015 (80 FR 62762), in the final rule with comment period titled “Medicare and Medicaid Programs; Electronic Health Record Incentive Program—Stage 3 and Modifications to Meaningful Use in 2015 through 2017” (hereafter referred to as the “2015 EHR Incentive Programs final rule with comment period”), there were a number of technical errors that are identified and corrected in this correcting amendment. The provisions in this document are treated as if they had been included in the 2015 EHR Incentive Programs final rule with comment period. The requirements to transition the program to a single stage, and aligns reporting for providers in the Medicare and Medicaid EHR Incentive Programs.

II. Summary of Errors

On page 62767, in our discussion of certified EHR technology requirements for the EHR Incentive Program, we made a typographical error in the word “use” in the sentence specifying that providers may continue to use technology certified to the 2014 Edition until EHR technology certified to the 2015 Edition is required with an EHR reporting period beginning in 2018.

On page 62801, in our response to the public comment regarding ”Objective 4: Electronic Prescribing” we made a typographical error in the word “distinguish” in the sentence specifying that we will no longer distinguish between prescriptions for controlled substances.

On page 62806, in our response to a public comment regarding “Objective 4: Electronic Prescribing” and the pathways acceptable for transmitting Summary of Care records, we inadvertently omitted the word “have” in the sentence specifying that to count in the numerator the sending provider must have reasonable certainty of receipt of the summary of care document. In addition, there is typographical error and the word “obtain” was omitted causing an incomplete sentence which reads “Instead, the the referring provider must confirmation.” This sentence is
