

provides that where a FIFRA section 6(e) cancellation hearing is requested, the scope of the hearing and the standard of review in regard to the Administrator's determination with respect to the disposition of existing stocks is limited to whether that determination is consistent with FIFRA.

Congress mandated a final decision within seventy-five (75) days, and a broader or more complex hearing could not reasonably be completed in such a limited timeframe. Accordingly, the only matters for resolution in any hearing requested regarding this matter shall be whether the registrants satisfied the condition of registration requiring them to submit timely requests for voluntary cancellation when notified by EPA of its determination that the registrations caused unreasonable adverse effects on the environment, and whether the proposed existing stocks provision is consistent with FIFRA.

VI. Timing of Cancellation of Registration

The cancellation of registration of each of the specific products identified in Unit I.A. will be final and effective thirty (30) days after the date of receipt by the registrant, unless a valid hearing request is received regarding that specific flubendiamide product.

In the event a hearing is held concerning a particular product, the cancellation of the registration for that product will not become effective except pursuant to a final order issued by the Environmental Appeals Board or (if the matter is referred to the Administrator pursuant to 40 CFR 164.2(g)) the Administrator, or an initial decision of the presiding Administrative Law Judge that becomes a final order pursuant to 40 CFR 164.90(b). Pursuant to FIFRA section 6(e)(2), such order shall issue within seventy-five (75) days after receipt of a request for hearing.

VII. Procedural Matters

This unit explains how eligible persons may request a hearing and the consequences of requesting or failing to request such a hearing.

A. Requesting a Hearing

1. *Who can request a hearing?* A registrant or any other person who is adversely affected by a cancellation as described in this document may request a hearing.

2. *When must a hearing be requested?* A request for a hearing by a registrant or other adversely affected person must be submitted in writing within thirty (30) days after the date of the registrant's receipt of the Notice of Intent to Cancel. Under FIFRA section 6(e), the time

period for requesting a hearing is calculated from the date the affected registrant receives the Notice of Intent to Cancel, without regard to the date of issuance or publication in the **Federal Register**. EPA issued this Notice of Intent to Cancel and promptly sent it to each registrant by certified mail on February 29, 2016. Registrants will be able to calculate the deadline for their request based on their receipt of the Notice of Intent to Cancel. In order to assure that any requests for hearing from persons other than the registrants are received in a timely manner, persons other than the registrants who wish to submit a request for hearing are urged to assume that the registrants received the Notice of Intent to Cancel on March 1, 2016, and make sure that a request for hearing is received by EPA's Office of Administrative Law Judges on or before March 31, 2016.

3. *How must a hearing be requested?* All persons who request a hearing must comply with the Agency's Rules of Practice Governing Hearings under FIFRA, 40 CFR part 164. Among other requirements, these rules include the following requirements:

- a. Each hearing request must specifically identify by registration or accession number each individual pesticide product concerning which a hearing is requested, 40 CFR 164.22(a);
- b. Each hearing request must be accompanied by a document setting forth specific objections which respond to the Agency's reasons for proposing cancellation as set forth in this document and state the factual basis for each such objection, 40 CFR 164.22(a); and
- c. Each hearing request must be received by the OALJ within the applicable 30-day period (40 CFR 164.5(a)).

Failure to comply with any one of these requirements will invalidate the request for a hearing and, in the absence of a valid hearing request, result in final cancellation of registration for the product in question by operation of law.

4. *Where does a person submit a hearing request?* Requests for hearing must be submitted to the OALJ. The OALJ uses different addresses depending on the delivery method. Please note that mail deliveries to federal agencies are screened off-site, and this security procedure can delay delivery. Documents that a party sends using the U.S. Postal Service must be addressed to the following OALJ mailing address: U.S. Environmental Protection Agency, Office of Administrative Law Judges, Mail Code 1900R, 1200 Pennsylvania Avenue NW., Washington, DC 20460.

Documents that a party hand delivers or sends using a courier or commercial delivery service (such as Federal Express or UPS) must be addressed to the following OALJ hand delivery address: U.S. Environmental Protection Agency, Office of Administrative Law Judges, Ronald Reagan Building, Rm. M1200, 1300 Pennsylvania Ave. NW., Washington, DC 20460.

B. The Hearing

If a hearing concerning any product affected by this document is requested in a timely and effective manner, the hearing will be governed by the Agency's Rules of Practice Governing Hearings under FIFRA, 40 CFR part 164, and the procedures set forth in Unit VII. Any interested person may participate in the hearing, in accordance with 40 CFR 164.31.

Documents and transcripts will be available in the Administrative Law Judges' Electronic Docket Database available at http://yosemite.epa.gov/oarm/alj/alj_web_docket.nsf. The physical public docket for the hearing is located at the U.S. Environmental Protection Agency, Office of Administrative Law Judges, Ronald Reagan Building, Rm. M1200, 1300 Pennsylvania Ave. NW., Washington, DC 20460 and documents can be viewed from 8:30 a.m. to 4:30 p.m., Monday through Friday, except federal holidays.

[FRL-9943-37-Region 1]

Proposed Cercla Administrative Cost Recovery Settlement: Former Athol Rod and Gun Club Superfund Site, Athol, Massachusetts

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed settlement; request for public comments.

SUMMARY: Notice is hereby given of a proposed administrative cost settlement for recovery of response costs concerning the Former Athol Rod and Gun Club Superfund Site, located in Athol, Worcester County, Massachusetts with the Settling Party the Town of

Athol. The proposed settlement requires the Settling Party to pay the Environmental Protection Agency (EPA) \$275,000, plus interest, to the Hazardous Substance Superfund to settle EPA's past response costs, which currently amount to \$3,434,307.47. In exchange, EPA will provide the Settling Party with a covenant not to sue for past costs. The settlement has been approved by the Environmental and Natural Resources Division of the United States Department of Justice. For 30 days following the date of publication of this notice, the Agency will receive written comments relating to the settlement for recovery of response costs. The Agency will consider all comments received and may modify or withdraw its consent to this cost recovery settlement if comments received disclose facts or considerations which indicate that the settlement is inappropriate, improper, or inadequate. The Agency's response to any comments received will be available for public inspection at the Athol Public Library, 568 Main Street, Athol, MA 01331 and at the Environmental Protection Agency—Region I, 5 Post Office Square, Suite 100, Boston, MA 02109–3912.

DATES: Comments must be submitted by April 4, 2016.

ADDRESSES: Comments should be addressed to Peter DeCambre, Enforcement Counsel, U.S. Environmental Protection Agency, 5 Post Office Square, Suite 100 (OES04–2), Boston, MA 02109–3912 (Telephone No. 617–918–1890) and should reference the Former Athol Rod and Gun Club Site, U.S. EPA Docket No: 01–2016–0003.

FOR FURTHER INFORMATION CONTACT: A copy of the proposed settlement may be obtained from Stacy Greendlinger, Office of Site Remediation and Restoration, U.S. Environmental Protection Agency, Region I, 5 Post Office Square, Suite 100 (OSRR02–2), Boston, MA 02109–3912, (617) 918–1403; greendlinger.stacy@epa.gov. SUPPLEMENTARY INFORMATION: This proposed administrative settlement for recovery of past response costs concerning the Former Athol Rod and Gun Club Superfund Site, located in Athol, Worcester County, Massachusetts is made in accordance with Section

122(h)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). EPA covenants not to sue or take administrative action against the Settling Party, the Town of Athol, pursuant to Section 107(a) of CERCLA, 42 U.S.C. 9607(a), for Past Response Costs. In exchange, the Settling Party agrees to pay EPA \$275,000, plus interest running from the effective date of the Settlement Agreement through the date of payment. The Town will pay \$100,000 thirty days after the effective date of the Settlement Agreement, and \$87,500 a year later, and a final \$87,500 a year plus interest for each installment. For 30 days following the date of publication of this notice, the Agency will receive written comments relating to the settlement for recovery of response costs.

Dated: February 1, 2016.

Bryan Olson,

Director, Office of Site Remediation and Restoration.
