Analysis of Comments Received

All issues raised in this sunset review are addressed in the Decision Memorandum. The issues discussed in the Decision Memorandum include the likelihood of continuation or recurrence of dumping, the magnitude of the margins likely to prevail if the *Order* were to be revoked, and duty absorption.

Final Results of Sunset Review

Pursuant to section 752(c)(3) of the Act, the Department determines that revocation of the *Order* would likely lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average dumping margins up to 198.08 percent.

This notice also serves as the only reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed at <http://enforcement.trade.gov/frn/>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

Preliminary Results of the Review³

As a result of this review, the Department preliminarily determines that a weighted-average dumping margin of 0.00 percent exists for Himalya for the period February 1, 2014, through January 31, 2015.

Disclosure and Public Comment

We intend to disclose to interested parties the calculations performed in connection with these preliminary results within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Assistant Secretary for Antidumping and Countervailing Duty Operations, "Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: Certain Preserved Mushrooms from India; 2014–2015" (Preliminary Decision Memorandum), dated concurrently with these results and hereby adopted by this notice.

³ As explained in the memorandum from the Acting Assistant Secretary for Enforcement & Compliance, the Department has exercised its discretion to toll all administrative deadlines due to the recent closure of the Federal Government. See Memorandum to the Record from Ron Lorentzen, Acting A/S for Enforcement & Compliance, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During Snowstorm Jonas," dated January 27, 2016. All deadlines in this segment of the proceeding have been extended by four business days. The revised deadline for the preliminary determination of this administrative review is now March 4, 2016.

Interested parties are invited to comment on these preliminary results. Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the verification report is issued in this proceeding, and rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.⁴ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS. An electronically filed request must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Standard Time, within 30 days after the date of publication of this notice.⁵ Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and date to be determined. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

The Department intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless the deadline is extended.⁶

Assessment Rates

Upon completion of the administrative review, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.⁷

Because Himalya did not report entered value, we calculated importer-

specific or customer-specific per-unit duty assessment rates by aggregating the total amount of antidumping duties calculated for the examined sales and dividing this amount by the total quantity of those sales. To determine whether this duty assessment rate is *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we calculated an importer-specific *ad valorem* ratio based on the estimated entered value. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or the importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.⁸

We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Himalya will be the rate established in the final results of this review, except if the rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1) (*i.e.*, less than 0.50 percent), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 11.30 percent, the all-others rate established in the less-than-fair-value investigation.⁹ These requirements,

when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: March 2, 2016.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.
