

4. Job Corps' Commitment to Diversity

Job Corps currently serves a diverse student population and remains committed to serving disadvantaged youth from all backgrounds. In making final closure decisions under any of the three criteria, we will consider whether a center's closure would result in a significant reduction in student diversity within the overall Job Corps system.

III. Job Corps Centers Selected for Closure

Based on the performance-based criteria, and after applying the additional considerations described above, the Department proposes to close the Ouachita Job Corps Center in Royal, Arkansas. As noted above, the two new criteria did not factor into this decision.

In applying the performance-based criteria, the Department first calculated the five-year OMS performance level, the five-year OBS, and the five-year FCI and then calculated the Overall Rating for Primary Selection Factors, as described above, using data from PY 2010–2014. The Ouachita Job Corps Center in received the lowest Overall Rating for Primary Selection Factors and, therefore, the lowest ranking.

After ranking the centers based on the primary criteria, the Department then applied the additional considerations. The Department determined that these considerations did not preclude closure of the Ouachita Job Corps Center. The Department is requesting public comments on the selection of the Ouachita Job Corps Center for closure.

The Department will implement the closure process pursuant to the center closure requirements outlined in the WIOA at section 159(j) and as stipulated in the DOL/USDA Interagency Agreement.

IV. The Process for Closing Job Corps Centers, as Outlined in the Workforce Innovation and Opportunity Act (WIOA)

The Department's process for closing Job Corps centers will follow the requirements of section 159(j) of the WIOA, which include the following:

- The proposed decision to close a particular center is announced in advance to the general public through publication in the **Federal Register** or other appropriate means;
- A reasonable comment period, not to exceed 30 days, is established for interested individuals to submit written comments to the Secretary; and
- The Member of Congress who represents the district in which such center is located is notified within a

reasonable period of time in advance of any final decision to close the center.

This Notice serves as the public announcement of the decision to close the Ouachita Job Corps Center. The Department is providing a 30-day period for interested individuals to submit written comments on the proposed decision to close these centers.

Portia Wu,

Assistant Secretary for Employment and Training.
