[Docket No. CP15-93-000; Docket No. CP15-94-000; Docket No. CP15-96-000]

Rover Pipeline, LLC; Panhandle Eastern Pipe Line Company, LP; Trunkline Gas Company, LLC; Notice of Public Meetings for Comments on the Draft Environmental Impact Statement for the Proposed Rover Pipeline, Panhandle Backhaul, and Trunkline Backhaul Projects

On February 19, 2016 the staff of the Federal Energy Regulatory Commission (FERC or Commission) issued a draft environmental impact statement (EIS) for the Rover Pipeline, Panhandle Backhaul, and Trunkline Backhaul Projects (Projects). The draft EIS assesses the potential environmental effects of the construction and operation of the Projects in accordance with the requirements of the National Environmental Policy Act (NEPA). The draft EIS was mailed to the parties on the Commission’s environmental mailing list and placed on the FERC’s Web site (www.ferc.gov).

The Commission invites you to attend one of the public comment meetings its staff will conduct in the Projects’ area to receive verbal comments on the draft EIS, scheduled as follows:

We will begin our sign up of speakers at 5:30 p.m. The comments meetings will begin at 6:00 p.m. with a description of our environmental review process by Commission staff, after which speakers will be called. The meetings will end once all speakers have provided their comments or at 10 p.m., whichever comes first. Please note that there may be a time limit of three minutes to present comments, and speakers should structure their comments accordingly. If time limits are implemented, they will be strictly enforced to ensure that as many individuals as possible are given an

opportunity to comment. The meetings will be recorded by a court reporter to ensure comments are accurately recorded. Transcripts will be entered into the formal record of the Commission proceeding.
 You do not need to attend one of the above comment meetings to provide comment to the Commission on the draft EIS. For your convenience, there are three additional methods you can use to submit your comments to the Commission. The Commission will provide equal consideration to all comments received, whether filed in written form or provided verbally. The

Commission encourages electronic filing of comments and has expert staff available to assist you at (202) 502-8258 or efiling@ferc.gov. Please carefully follow these instructions so that your comments are properly recorded.
 (1) You can file your comments electronically using the eComment feature on the Commission’s Web site (www.ferc.gov) under the link to Documents and Filings. This is an easy method for submitting brief, text-only comments on a project;
 (2) You can file your comments electronically by using the eFiling feature on the Commission’s Web site
