Risk Management Agency

Title: General Administrative Regulations; Interpretations of Statutory and Regulatory Provisions.

OMB Control Number: 0563-0055.

Summary of Collection: Section 533 of the Agricultural Research, Extension, and Education Reform Act of 1998 (1998 Research Act) requires the Federal Crop Insurance Corporation (FCIC) to publish regulation on how FCIC will provide a final agency determination in response

to certain inquiries. Consistent with section 506(r) of the Act and 7 CFR part 400, subpart X in accordance with the Federal Crop Insurance Act, as amended, FCIC revised section 20 of the Common Crop Insurance Policy Basic Provisions, published at 7 CFR 457.8, to require the FCIC to provide interpretations of policy provisions and procedures (handbooks, manuals, memoranda, and bulletins) when any dispute in mediation, arbitration, or litigation requires interpretation of a policy provision or procedure.

Need and Use of the Information: FCIC will use the requester's name and address to provide a response. Federal crop insurance is a national program with all producers receiving the same policy for the same crop and insurance providers are required to use procedures issued by FCIC in the service and adjustment of such policies to ensure that all producers are treated alike and none receive special benefits or treatment because of the crop they produce, the insurance provider that insures them, or who hears their disputes. FCIC issued Manager's Bulletin MGR-05-018 on October 7, 2005, to provide the criteria for requesting an interpretation of procedure to inquire about the meaning or applicability of procedure. The requirements for this collection are necessary for FCIC to provide an interpretation of statutory and regulatory provisions upon request. If the requested information is not collected with each submission, FCIC would not be able to comply with the statutory mandates.

Description of Respondents: Business or other for-profit; Farms.

Number of Respondents: 32.

Frequency of Responses: Reporting; On occasion.

Total Burden Hours: 256.

Charlene Parker,

Departmental Information Clearance Officer.
