

Information” is used to document an individual’s authorization to use or disclose their protected health information.

45 CFR 164.522: Section 164.522(a)(1) requires a covered entity to permit individuals to request that the covered entity restrict the use and disclosure of their protected health information. The covered entity may or may not agree to the restriction. The form IHS-912-1 “Request for Restrictions(s)” is used to document an individual’s request for restriction of their protected health information, and whether IHS agreed or disagreed with the restriction. Section 164.522(a)(2) permits a covered entity to terminate its agreement to a restriction if the individual agrees to or requests the termination in writing. The form IHS-912-2 “Request for Revocation of Restriction(s)” is used to document the agency or individual request to terminate a formerly agreed to

restriction regarding the use and disclosure of protected health information.

45 CFR 164.528 and 45 CFR 5b.9(c): This provision requires covered entities to permit individuals to request that the covered entity provide an accounting of disclosures of protected health information made by the covered entity. The form IHS-913 “Request for an Accounting of Disclosures” is used to document an individual’s request for an accounting of disclosures of their protected health information and the agency’s handling of the request.

45 CFR 164.526: This provision requires covered entities to permit an individual to request that the covered entity amend protected health information. If the covered entity accepts the requested amendment, in whole or in part, the covered entity must inform the individual that the amendment is accepted. If the covered

entity denies the requested amendment, in whole or in part, the covered entity must provide the individual with a written denial. The form IHS-917 “Request for Correction/Amendment of Protected Health Information” will be used to document an individual’s request to amend their protected health information and the agency’s decision to accept or deny the request. Completed forms used in this collection of information are filed in the IHS medical, health and billing record, a Privacy Act System of Records Notice. *Affected Public:* Individuals and households. *Type of Respondents:* Individuals. *Burden Hours:* The table below provides for this information collection: Types of data collection instruments, estimated number of respondents, number of responses per respondent, average burden hour per response, and total annual burden hour(s).
