Employment and Training Administration

Notice of Availability of Funds and Funding Opportunity Announcement for the Senior Community Service Employment Program (SCSEP) National Grants for Program Year (PY) 2016

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice of Funding Opportunity Announcement (FOA).

Funding Opportunity Number: FOA-ETA-16-04

SUMMARY: The Employment and Training Administration (ETA), U.S. Department of Labor (DOL, or the Department, or we), announces the availability of approximately \$338,520,000 in grant funds authorized by Title V of the Older Americans Act (OAA) as amended in 2006, Public Law 109-365 for the Community Service Employment for Older Americans program commonly referred to as the Senior Community Service Employment Program (SCSEP), for National Grants for Program Year (PY) 2016.

SCSEP is the only Federally-sponsored employment and training program targeted specifically to low-income older individuals who are able to enter or reenter the workforce. Program participants receive paid work experience at local public or non-profit agencies and are paid the higher of the Federal, State, or local minimum wage, or the prevailing wage for similar employment, for approximately 20 hours per week while in community service and other job training (OAA Amendments § 502(b)(1)(J); 20 CFR 641.565(a)). The dual goals of the

program are to promote useful opportunities in community service job training and to move SCSEP participants into unsubsidized employment.

We anticipate awarding approximately 10-22 grants ranging from \$2 million to \$50 million each under this FOA. This is a four-year grant, renewable annually for each of those four years based on annual Departmental application requirements and subject to the availability of funds. The grant may be extended for a fifth year at the Department's discretion, contingent upon the grantee meeting or exceeding the minimum negotiated performance measures as required by section 514(a) of the OAA Amendments and 20 CFR 641.700.

The complete FOA and any subsequent FOA amendments in connection with this funding opportunity are described in further detail on ETA's Web site at https://www.doleta.gov/grants/find_grants.cfm or on <http://www.grants.gov>. The Web sites provide application information, eligibility requirements, review and selection procedures, and other program requirements governing this funding opportunity.

DATES: The closing date for receipt of applications under this announcement is April 29, 2016. Applications must be received no later than 4:00:00 p.m. Eastern Time.

FOR FURTHER INFORMATION CONTACT: Jeannette Flowers, 200 Constitution Avenue NW., Room N-4716, Washington, DC 20210; Telephone: 202-693-3322.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W No.	Subject firm	Location	Impact date
90,236	Gamma North	Alden, NY.	
91,342	Hewlett Packard	East Pontiac, MI.	
91,379	Climax Portable Machine Tools Inc	Newberg, OR.	
91,387	Cameron International Corp.	Millbury, MA.	

The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
91,405	Fairmont Supply Oil & Gas	Warren, PA.	
91,425	Universal Lighting Technologies	Los Indios, TX.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.
