DATES: The meeting will be held on April 8, 2016 from 10:00 a.m. to 4:00 p.m., Central Time. See **SUPPLEMENTARY INFORMATION** for details.

ADDRESSES: The meeting will be held at the Westin Chicago River North, 320 North Dearborn Street, Chicago, IL 60654.

Please direct media inquiries to NTIA's Office of Public Affairs, (202) 482-7002; email press@ntia.doc.gov.

SUPPLEMENTARY INFORMATION:

Background: On March 19, 2015, the National Telecommunications and Information Administration, working with the Department of Commerce's Internet Policy Task Force (IPTF), issued a Request for Comment to "identify substantive cybersecurity issues that affect the digital ecosystem and digital economic growth where broad consensus, coordinated action, and the development of best practices could substantially improve security for organizations and consumers."¹ This

Request built on earlier work from the Department, including the 2011 Green Paper *Cybersecurity, Innovation, and the Internet Economy*,² as well as comments the Department had received on related issues.³ On July 9, 2015, after reviewing the comments, NTIA announced that the first issue to be addressed would be "collaboration on vulnerability research disclosure,"⁴ and subsequently announced that the first meeting of a multistakeholder process on this topic would be held on September 29, 2015. A second meeting was convened on December 2, 2015.⁵

Matters to Be Considered: The April 8, 2016 meeting is a continuation of a series of NTIA-convened multistakeholder discussions concerning collaboration on vulnerability disclosure. Stakeholders will engage in an open, transparent, consensus-driven process to develop voluntary principles guiding the collaboration between vendors and researchers about vulnerability information. The April 8, 2016 meeting will build on stakeholders' previous work. More information about stakeholders' work is available at: <http://www.ntia.doc.gov/other-publication/2015/multistakeholder-process-cybersecurity-vulnerabilities>.

Time and Date: NTIA will convene a meeting of the multistakeholder process to promote collaboration on vulnerability research disclosure on April 8, 2016, from 10:00 a.m. to 4:00 p.m., Central Time.
