Notice of Intent To Request Revision and Extension of a Currently Approved Information Collection

AGENCY: National Agricultural Statistics Service, USDA.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the intention of the National Agricultural Statistics Service (NASS) to request revision and extension of a currently approved information collection, the Vegetable Surveys Program. Some of the vegetable production surveys will incorporate sampling of the total population of producers, while the processing surveys will involve a total enumeration of the entire population. Changes are being made to some of the questionnaires to accommodate changes in the industry and to make the questionnaires easier for the respondent to complete. This should help to reduce respondent burden and improve the overall response rates.
