BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

In the Matter of Royale Globe Holding Inc., File No. 500-1; Order of Suspension of Trading

April 8, 2016.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Royale Globe Holding Inc. because of questions regarding the accuracy of publicly available information about the company's operations and securities ownership, including details about its affiliation with Maxim Capital Limited, a purported investment company operating under the name Maxim Trader. Royale Globe Holding Inc. is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed its Form 10-Q for the period ended July 31, 2015. Royale Globe Holding Inc. (CIK No. 0001383145), is a Nevada corporation with its principal place of business listed as Kuala Lumpur, Malaysia with stock quoted on OTC Link (previously, "Pink Sheets") operated by OTC Markets Group, Inc. under the ticker symbol ROGP.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT, April 8, 2016, through 11:59 p.m. EDT, on April 21, 2016.

By the Commission.

Jill M. Peterson,

Assistant Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77547; File No. SR-CBOE-2016-021]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Establish Fees for Options That Overlie a Reduced Value of the FTSE 100 Index and the FTSE China 50 Index

April 6, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 24, 2016, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to establish fees for options that overlie a reduced value of the FTSE 100 Index and the FTSE China 50 Index. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set

forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule, effective March 29, 2016. Specifically, commencing March 29, 2016, the Exchange will list new options on two FTSE Russell indexes. More specifically, the Exchange proposes to establish fees for options that overlie a reduced value of the FTSE 100 Index ("UKXM") and the China 50 Index ("FXTM").

By way of background, a specific set of proprietary products are commonly included or excluded from a variety of programs, qualification calculations and transaction fees. In lieu of listing out these products in various sections of the Fees Schedule, the Exchange uses the term "Underlying Symbol List A" to represent these products. Currently, Underlying Symbol List A is defined in Footnote 34 and represents the following proprietary products: OEX, XEO, RUT, RLG, RLV, RUI, SPX (including SPXw), SPXpm, SRO, VIX, VOLATILITY INDEXES and binary options. The Exchange notes that the reason the products in Underlying Symbol List A are often collectively included or excluded from certain programs, qualification calculations and transactions fees is because the Exchange has expended considerable resources developing and maintaining its proprietary, exclusively-listed products. Similar to the products currently represented by "Underlying Symbol List A," UKXM and FXTM are not listed on any other exchange. As such, the Exchange proposes to exclude or include UKXM and FXTM in the same programs as the other products in Underlying Symbol List A, as well as add UKXM and FXTM to the definition of Underlying Symbol List A in Footnote 34. Specifically, like the other products in Underlying Symbol List A, the Exchange proposes to except UKXM and FXTM from the Liquidity Provider Sliding Scale, the Volume Incentive Program (VIP), the Marketing Fee, the Clearing Trading Permit Holder Fee Cap ("Fee Cap") and [sic] exemption from fees for facilitation orders, and the Order Router Subsidy (ORS) and Complex Order Router Subsidy (CORS) Programs. Like all other products in Underlying Symbol List A (with the exception of SROs), the Exchange proposes to apply to UKXM and FXTM
