Needs and Uses: The information collection requirement is necessary to provide for manual input for an automated means of computing reimbursements for individuals for expenses incurred incident to travel for official Government business purposes, accounting for such payments, and reporting those payments necessary for tax purposes to the Internal Revenue Service (IRS).

Affected Public: Individuals and Households.

Annual Burden Hours: 229,000.

Number of Respondents: 550,000.

Responses per Respondent: 1.

Annual Responses: 550,000.

Average Burden per Response: 25 minutes.

Frequency: On occasion.

On occasion of completion of official Government travel, information on military Service member dependents, civilian employee dependents, and military retirees and their dependents, is collected in order to properly

complete the DD 1351, 1351-2, and 1351-2C, and to submit to DoD as a claim against the Government for monetary travel entitlements due a traveler authorized by DoD regulations governing official Government travel. Data collection on these forms is necessary in order to provide the pertinent information for submission of forms to a travel computation office which is responsible for manually entering the required data into computer software programs designed to accurately calculate monetary entitlements due to an official government traveler and their dependents. If this information is not collected and submitted to the DoD, accurate calculations and payments of entitled monetary amounts due to a traveler may not occur.
