

The Exchange believes that the proposed Complex Order fee structure will keep the Exchange competitive with other exchanges and will be applied in an equitable manner among all BOX Participants. The Exchange believes the proposed fee structure is reasonable and competitive with fee structures in place on other exchanges. Further, the Exchange believes that the competitive marketplace impacts the fees proposed for BOX.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that applying a fee structure that is determined according to whether the Complex Order removes or adds liquidity, the account type of the Participant submitting the Complex Order, and the contra party will result in Participants being charged appropriately for these transactions. Submitting a Complex is entirely voluntary and Participants can determine which type of order they wish to submit, if any, to the Exchange.

Further, the Exchange believes that this proposal will enhance competition between exchanges because it is designed to allow the Exchange to better compete with other exchanges for Complex Order flow.

Finally, the Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing exchanges. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Exchange Act<sup>9</sup> and Rule 19b-4(f)(2) thereunder,<sup>10</sup> because it establishes or changes a due, or fee.

<sup>10</sup> 17 CFR 240.19b-4(f)(2).
