

of subject merchandise made after the POR.⁶

On November 24, 2015, we received comments from ZFP and NFP. On November 30, 2015, we received rebuttal comments from U.S. producers.

Rescission of Review

It is the Department's practice to rescind an administrative review pursuant to 19 CFR 351.213(d)(3) when there are no suspended entries of subject merchandise during the POR from the country in question.⁷ At the end of an administrative review, all suspended entries during the POR for the parties under review are liquidated at the assessment rate computed in the final results of review.⁸ Therefore, since the purpose of an administrative review is to assess antidumping duties, there must be a suspended AD/CVD entry to be liquidated at the newly calculated assessment rate. As discussed in the Decision Memorandum accompanying this notice,⁹ we find that, because there were no entries of subject merchandise during the POR from Ukraine, we are rescinding the 2014–2015 administrative review of the antidumping duty order on silicomanganese from Ukraine, pursuant to 19 CFR 351.213(d)(3).

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. Additionally, pursuant to a refinement to its assessment practice in NME cases, if the Department continues to determine that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under the exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate. For a full discussion of this practice, see *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 23, 2011).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For Baoding Mantong, Nutracare International, Ravi Industries, Kumar Industries, and Rudraa International, which all claimed no shipments, the cash deposit rate will remain unchanged from rates assigned to these companies in the most recently completed reviews of these companies; (2) for previously investigated or reviewed PRC and non-PRC exporters who are not under review in this segment of the proceeding but who have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 453.79 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied the non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certification regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries of this period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
