

Background

On March 3, 2016, based on a timely request for review on behalf of Haixing Jingmei Chemical Products Sales Co. Ltd. (“Jingmei”) and Haixing Eno Chemical Co., Ltd. (“Eno”),¹ the Department published in the **Federal Register** a notice of initiation of an administrative review of the countervailing duty order on calcium hypochlorite from the PRC covering the period May 27, 2014 through December 31, 2015.² The review covers Jingmei and Eno.³ On March 25, 2016, Jingmei and Eno withdrew their requests for an administrative review.⁴ No other party requested a review of these companies or any other exporters of subject merchandise.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, Jingmei and Eno timely withdrew their request by the 90-day deadline, and no other party requested an administrative review of the countervailing duty order. As a result, pursuant to 19 CFR 351.213(d)(1), we are rescinding the administrative review of calcium hypochlorite from the PRC for the period May 27, 2014 through December 31, 2015, in its entirety.

Assessment

Both Jingmei and Eno are subject to an ongoing new shipper review covering the same period of review as this administrative review.⁵ Accordingly, CBP should continue to suspend liquidation of entries exported by Jingmei and Eno, until the Department instructs otherwise, pursuant to the final results of the new shipper review.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues which parties raised and to which we respond in the Issues and Decision Memorandum is attached to this notice as Appendix I. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's AD and Countervailing Duty (CVD) Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on a review of the record and our analysis of the comments received, we made no changes to the margin calculations for Rong Shu or to the rate assigned to A-Madeus in these final results. For further discussion, see the Issues and Decision Memorandum.

Period of Review

The POR is September 1, 2013, through August 31, 2014.

Final Results of the Review

We are assigning the following weighted-average dumping margins to the firms listed below:

Producer/exporter	Dumping margin (percent)
Rong Shu Industry Corporation	0.00

⁶ For a complete description of the scope of the order, see the memorandum from Gary Taverman, Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, entitled, "Issues and Decision Memorandum for the Final Results of the Antidumping Duty Administrative Review on Narrow Woven Ribbons with Woven Selvedge from Taiwan (Issues and Decision Memorandum), dated concurrently with and hereby adopted by this notice.

Producer/exporter	Dumping margin (percent)
A-Madeus Textile Ltd	30.64

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), the Department has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise and deposits of estimated duties, where applicable, in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

Pursuant to the *Final Modification for Reviews*,⁷ because Rong Shu's weighted-average dumping margin is zero, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties,⁸ pursuant to 19 CFR 351.106(c)(2).

For A-Madeus, we will base the assessment rate assigned to the corresponding entries on the margin listed above, using the same methodology stated in the *Preliminary Results*.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for Rong Shu and A-Madeus will be equal to the dumping margins established in the final results of this administrative review (except, if the rate is zero or *de minimis*, a zero cash deposit rate will be required for that company); (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate

⁷ See *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

established for the most recently-completed segment of this proceeding for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.37 percent, the all-others rate determined in the LTFV investigation.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751(a)(1) and 777(i)(1) of the Act.

Dated: April 11, 2016.
