Needs and Uses: FCC Report 395, Common Carrier Annual Employment Report, is a data collection mechanism to implement the FCC’s Equal Employment Opportunity (EEO) rules. All common carrier licensees or permittees with sixteen (16) or more full-time employees are required to file the Annual Employment Report. Each common carrier is also obligated to file with this Commission copies of all exhibits, letters, and documents pertaining to all equal employment opportunity statements and annual reports on complaints regarding violations of equal employment provisions of Federal, State, Territorial, or local law. Section 22.321(f), 47 CFR, requires each licensee to maintain these documents for a period of two years. The Annual Employment Report identifies each filer’s staff by gender, race, color, and/or national origin in each of ten major job categories. The report and all other EEOC documents are filed with the Commission to detail the applicant’s compliance with the Commission’s EEO rules. Those documents are available for public inspection at a designated area located in the FCC’s Industry Analysis and Technology Division.
