DATES: Interested parties may submit written comments regarding the proposed classification for lease and conveyance of the land until June 2, 2016.
ADDRESSES: Mail written comments to the BLM Field Manager, Las Vegas Field Office, 4701 N. Torrey Pines Drive, Las Vegas, Nevada 89130.

SUPPLEMENTARY INFORMATION: Clark County submitted the parcel of land legally described as:

T. 22 S., R. 60 E., Sec. 18, N½NE¼NE¼SW¼, N½SW¼ NE¼NE¼SW¼, N½SE¼NE¼NE¼ SW¼, E½SW¼NE¼NE¼SW¼, and E½ SW¼NE¼NE¼SW¼.

The area described contains 17.5 acres, more or less, in Clark County.

The parcel is located in the southwest part of the Las Vegas Valley.

In accordance with the R&PP Act, Clark County has filed an application in which it proposes to develop the above-described land as a community park with children’s playground area, perimeter walking path, picnic shade areas, restroom facilities, athletic facilities, and ancillary equipment. Additional detailed information pertaining to this application, plan of development, and site plan is located in case file N–80613, which is available for review at the BLM Las Vegas Field Office at the above address. Clark County is a political subdivision of the State of Nevada and is therefore a qualified applicant under the R&PP Act.

Subject to limitations prescribed by law and regulation, prior to patent issuance, the holder of any right-of-way grant within the lease area may be given the opportunity to amend the right-of-way grant for conversion to a new term, including perpetuity, if applicable. The land identified is not needed for any Federal purpose. The lease and conveyance is consistent with the BLM Las Vegas Resource Management Plan dated October 5, 1998, and would be in the public interest. Clark County has not applied for more than the 640 acre limitation for public purpose uses in a year and has submitted a statement in compliance with the regulations at 43 CFR 2741.4(b).

The lease and conveyance, when issued, will be subject to the provisions of the R&PP Act and applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945); and

2. All minerals shall be reserved to the United States, together with the right to prospect for, mine, and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe.

Any lease and/or conveyance will also be subject to valid existing rights, will contain any terms or conditions required by law (including, but not limited to, any terms or conditions required by 43 CFR 2741.4), and will contain an appropriate indemnification clause protecting the United States from claims arising out of the lessee’s/ patentee’s use, occupancy, or operations on the leased/patented lands. It will also contain any other terms and conditions deemed necessary and appropriate by the Authorized Officer.

Any lease and conveyance will also be subject to all valid and existing rights.

Upon publication of this notice in the Federal Register, the land described above will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease and conveyance under the R&PP Act, leasing under the mineral leasing laws and disposals under the mineral material disposal laws.

Interested parties may submit written comments on the suitability of the land for a public park in the Enterprise area. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs. Interested parties may also submit written comments regarding the specific use proposed in the application and plan of development, and whether the BLM followed proper administrative procedures in reaching the decision to lease and convey under the R&PP Act.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Only written comments submitted to the Field Manager, BLM Las Vegas Field Office, will be considered properly filed. Any adverse comments will be reviewed by the BLM Nevada State Director, who may sustain, vacate, or modify this reality action. In the absence of any adverse comments, the decision will become effective on June 17, 2016. The lands will not be available for lease and conveyance until after the decision becomes effective.

Authority: 43 CFR 2741.5.
