United States; (2) mapping standards and guidelines for (a) flood insurance rate maps, and (b) data accuracy, data quality, data currency, and data eligibility; (3) how to maintain, on an ongoing basis, flood insurance rate maps and flood risk identification; (4) procedures for delegating mapping activities to State and local mapping partners; and (5) (a) methods for improving interagency and intergovernmental coordination on flood mapping and flood risk determination, and (b) a funding strategy to leverage and coordinate budgets and expenditures across Federal agencies. Furthermore, the TMAC is required to submit an annual report to the FEMA Administrator that contains: (1) A description of the activities of the Council; (2) an evaluation of the status and performance of flood insurance rate maps and mapping activities to revise and update Flood Insurance Rate Maps; and (3) a summary of recommendations made by the Council to the FEMA Administrator.

Further, in accordance with the Homeowner Flood Insurance Affordability Act of 2014, the TMAC must develop a review report related to flood mapping in support of the National Flood Insurance Program (NFIP).

Agenda: On May 9 and 10, 2016, TMAC members will receive briefings from subject matter experts, and will present and deliberate on the draft content and potential recommendations to be incorporated in the 2016 Review Report and the 2016 Annual Report. A brief public comment period will take place each day during the meeting. In addition, the TMAC members will identify and coordinate on the TMAC’s next steps for Review Report and Annual Report production. A brief public comment period will take place during the meeting prior to any vote. The full agenda and related briefing materials will be posted for review by May 2, 2016 at http://www.fema.gov/TMAC.
