SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 204A-1, SEC File No. 270-536, OMB Control No. 3235-0596.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Rule 204A-1 (17 CFR

275.204A-1) under the Investment Advisers Act of 1940." (15 U.S.C. 80b-1 *et seq.*) Rule 204A-1 (the "Code of Ethics Rule") requires investment advisers registered with the SEC to (i) set forth standards of conduct expected of advisory personnel (including compliance with the federal securities laws); (ii) safeguard material nonpublic information about client transactions; and (iii) require the adviser's "access persons" to report their personal securities transactions, including transactions in any mutual fund managed by the adviser. The Code of Ethics Rule requires access persons to obtain the adviser's approval before investing in an initial public offering ("IPO") or private placement. The Code of Ethics Rule also requires prompt reporting, to the adviser's chief compliance officer or another person designated in the code of ethics, of any violations of the code. Finally, the Code of Ethics Rule requires the adviser to provide each supervised person with a copy of the code of ethics and any amendments, and require the supervised persons to acknowledge, in writing, their receipt of these copies. The purposes of the information collection requirements are to (i) ensure that advisers maintain codes of ethics applicable to their supervised persons; (ii) provide advisers with information about the personal securities transactions of their access persons for purposes of monitoring such transactions; (iii) provide advisory clients with information with which to evaluate advisers' codes of ethics; and (iv) assist the Commission's examination staff in assessing the adequacy of advisers' codes of ethics and assessing personal trading activity by advisers' supervised persons.

The respondents to this information collection are investment advisers registered with the Commission. The Commission has estimated that compliance with rule 204A-1 imposes a burden of approximately 118 hours per adviser annually based on an average adviser having 84 access persons. Our latest data indicate that there were 12,028 advisers registered with the Commission. Based on this figure, the Commission estimates a total annual burden of 1,418,703 hours for this collection of information.

Rule 204A-1 does not require recordkeeping or record retention. The collection of information requirements under the rule is mandatory. The information collected pursuant to the rule is not filed with the Commission, but rather takes the form of communications between advisers and their supervised persons. Investment

advisers use the information collected to control and assess the personal trading activities of their supervised persons. Responses to the reporting requirements will be kept confidential to the extent each investment adviser provides confidentiality under its particular practices and procedures. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: ShaguftaAhmed@omb.eop.gov; and (ii) Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77636; File No. SR-BatsEDGX-2016-12]

Self-Regulatory Organizations; Bats EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Adopt Exchange Rule 14.10 Setting Forth Additional Requirements for the Listing of Securities That Are Issued by the Exchange or Any of Its Affiliates

April 18, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 13, 2016, Bats EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

designated this proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to adopt Exchange Rule 14.10 setting forth additional requirements for the listing of securities that are issued by the Exchange or any of its affiliates as well as the monitoring of such securities’ trading activity on the Exchange. Proposed Rule 14.10 is based on Bats BZX Exchange, Inc. (“BZX”) Rule 14.3(e), which was recently amended and filed for immediate effectiveness with the Commission.⁵

The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to adopt Rule 14.10 setting forth reporting requirements on the Exchange should the Exchange or EDGX Affiliate list a security on the Exchange (the “Affiliate Security”). Proposed Rule 14.10(a)(1) would define “EDGX Affiliate” as “the Exchange and any entity that directly or

indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with the Exchange, where ‘control’ means that one entity possesses, directly or indirectly, voting control of the other entity either through ownership of capital stock or other equity securities or through majority representation on the board of directors or other management body of such entity.” Proposed Rule 14.10(a)(2) would define “Affiliate Security” as “any security issued by an EDGX Affiliate or any Exchange-listed option on any such security, with the exception of Portfolio Depository Receipts as defined in Rule 14.8(d) and Investment Company Units as defined in Rule 14.2.”⁶

In the event that an EDGX Affiliate seeks to list an Affiliate Security, paragraph (b)(1) of proposed Rule 14.10 would require that prior to the initial listing of the Affiliate Security on the Exchange, Exchange personnel shall determine that such security satisfies the Exchange’s rules for listing, and such finding must be approved by the Regulatory Oversight Committee of the Exchange’s Board of Directors.

Proposed paragraph (b)(2) of proposed Rule 14.10 would state that throughout the continued listing of the Affiliate Security on the Exchange, the Exchange will prepare a quarterly report for the Regulatory Oversight Committee of the Exchange’s Board of Directors and that such report describe the Exchange’s monitoring of the Affiliate Security’s compliance with the Exchange’s listing standards. Sub-paragraph (A) of proposed Rule 14.10(b)(2) would require the report include a description of the Affiliate Security’s compliance with the Exchange’s minimum share price requirement, and, sub-paragraph (B) would require the report to describe the Affiliate Security’s compliance with each of the quantitative continued listing requirements.

Sub-paragraph (3) of proposed Rule 14.10(b) would require the Exchange to commission an annual review and report by an independent accounting firm of the compliance of the Affiliate Security with the Exchange’s listing requirements. The Exchange would be required to promptly furnish a copy of this annual report to the Regulatory Oversight Committee of the Exchange’s Board of Directors.

Sub-paragraph (4) of proposed Rule 14.10(b) would state that in the event the Exchange determines that the EDGX Affiliate is not in compliance with any of the Exchange’s listing standards, the Exchange is required to notify the issuer of such non-compliance promptly and request a plan of compliance. The Exchange would also be required to file a report with the Commission within five business days of providing such notice to the issuer of its non-compliance. The required report would identify the date of the non-compliance, type of non-compliance, and any other material information conveyed to the issuer in the notice of non-compliance. Within five business days of receipt of a plan of compliance from the issuer, the Exchange would again be required to notify the Commission of such receipt, whether the plan of compliance was accepted by the Exchange or what other action was taken with respect to the plan and the time period provided to regain compliance with the Exchange’s listing standards, if any.

Sub-paragraph (c) of proposed Rule 14.10 would require that throughout the trading of an Affiliate Security on the Exchange, the Exchange prepare a quarterly report on the Affiliate Security for the Regulatory Oversight Committee of the Exchange’s Board of Directors that describes the Exchange’s monitoring of the trading of the Affiliate Security, including summaries of all related surveillance alerts, complaints, regulatory referrals, trades cancelled or adjusted pursuant to Exchange Rules, investigations, examinations, formal and informal disciplinary actions, exception reports and trading data used to ensure the Affiliate Security’s compliance with the Exchange’s listing and trading rules.

Lastly, paragraph (d) of proposed Rule 14.10 would require the Exchange to promptly provide a copy of the reports required by sub-paragraphs (b) and (c) described above to the Commission.

The listing of an Affiliate Security or where an Affiliate Security is traded on the Exchange could potentially create a conflict of interest between the Exchange’s self-regulatory responsibility to vigorously oversee the listing and trading of the stock on its market, and its own commercial or economic interests. Such “self-listing” may raise questions as to the Exchange’s ability to independently and effectively enforce its rules against an affiliate or the operator/owner of its facility. In addition, such listing has the potential to exacerbate possible conflicts that may arise when the Exchange oversees competitors that may also be listed or traded on the Exchange. The Exchange believes that the proposed rule change,

⁴ 17 CFR 240.19b-4(f)(6)(iii).

⁵ See SR-BatsBZX-2016-08 (filed for immediate effectiveness on April 13, 2016). See also Securities Exchange Act Release No. 66580 (March 13, 2012), 77 FR 16110 (March 19, 2012) (SR-BATS-2012-012).

⁶ The Exchange notes that BZX Rule 14.3(e)(1)(B) excludes Index Fund Shares as defined under BZX Rule 14.11(c). The Exchange rules do not currently define Index Fund Shares. Therefore, the Exchange proposes to exclude Investment Company Unit as defined under Exchange Rule 14.2 as it believes Investment Company Units to be synonymous with Index Fund Shares.

by requiring heightened reporting by the Exchange to the Regulatory Oversight Committee of the Exchange's Board of Directors and the Commission with respect to the Exchange's oversight of the listing and trading on the Exchange of any EDGX Affiliate Security, will help protect against any concern that the Exchange will not effectively enforce its rules with respect to the listing and trading of these securities. In addition, the requirements that an independent accounting firm review such issuer's compliance with the Exchange's listing standards adds a degree of independent oversight to the Exchange's regulation of the listing of these securities and should help mitigate against any potential or actual conflicts of interest. The Exchange also believes that these additional requirements contained in the proposed rule change would provide additional assurance that any Affiliate Securities listed and traded on the Exchange by an EDGX Affiliate comply with the Exchange's listing standards and trading rules on an on-going basis. Finally, the Exchange believes that the proposed rule change would eliminate any perception of a potential conflict of interest if an EDGX Affiliate seeks to list a security on the Exchange or if an Affiliate Security is traded on the Exchange.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁷ Specifically, the proposed change is consistent with Section 6(b)(5) of the Act,⁸ because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to, and perfect the mechanism of, a free and open market and a national market system. Specifically, the Exchange believes that the proposed rule change, by requiring heightened reporting by the Exchange to the Regulatory Oversight Committee of the Exchange's Board of Directors and the Commission with respect to oversight of the listing and trading on the Exchange of Affiliate Securities, will help protect against concerns that the Exchange will not effectively enforce its rules with respect

to the listing and trading of these securities. In addition, the requirement that an independent accounting firm review such issuer's compliance with the Exchange's listing standards adds a degree of independent oversight to the Exchange's regulation of the listing of these securities, which may mitigate any potential or actual conflicts of interest. Further, the additional requirements contained in the proposed rule change would help to provide additional assurance: (i) That any Affiliate Securities listed on the Exchange by an EDGX Affiliate comply with the Exchange's listing standards both upon the initial listing of the EDGX Affiliate and on an on-going basis; and (ii) regarding the Exchange's monitoring of the trading of the Affiliate Security traded on the Exchange. The Exchange believes that the proposed rule change would eliminate any perception of a potential conflict of interest if an EDGX Affiliate seeks to list a security on the Exchange and where an Affiliate Security is traded on the Exchange.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues, but rather set forth the Exchange's controls that are in place to address the potential conflicts of interest that may arise in the listing of Affiliate Securities on the Exchange.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of

investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6) under the Act¹³ normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)¹⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that waiver of the operative delay will allow the Exchange to implement the proposed rule change immediately in the event an Affiliate seeks to list on the Exchange or an Affiliate Security is traded on the Exchange. The Exchange further states that providing the reports required by the rule is in the best interest of investors and the public interest because it would provide greater transparency to market participants regarding the controls in place to address the potential conflicts of interest that may arise in the listing and trading of Affiliate Securities on the Exchange. Based on the foregoing, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest.¹⁵ The Commission hereby grants the Exchange's request and designates the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

¹¹ 15 U.S.C. 78s(b)(3)(A).

¹² In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹³ 17 CFR 240.19b-4(f)(6).

¹⁴ 17 CFR 240.19b-4(f)(6)(iii).

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

⁷ 15 U.S.C. 78f(b).

⁸ 15 U.S.C. 78f(b)(5).

⁹ 15 U.S.C. 78s(b)(3)(A)(iii).
