

Copyright Office. 17 U.S.C. 111(d)(1). The Copyright Office deposits the royalties into the United States Treasury for later distribution to copyright owners of the broadcast programming that the cable systems retransmit. 17 U.S.C. 111(d)(2).

A cable system calculates its royalty payments in accordance with the statutory formula described in 17 U.S.C. 111(d)(1). Royalty rates are based upon a cable system's gross receipts from subscribers who receive retransmitted broadcast signals. For rate calculation purposes, cable systems are divided into three tiers based on their gross receipts (small, medium, and large). 17 U.S.C. 111(d)(1)(B) through (F). Both the applicable rates and the tiers are subject to adjustment. 17 U.S.C. 801(b)(2).

Every five years persons with a significant interest in the royalty rates may file petitions to initiate a proceeding to adjust the rates. 17 U.S.C. 804(a) and (b). No person with a significant interest filed a petition to initiate a proceeding in 2015.¹

Therefore, the Copyright Royalty Judges (Judges) initiated this rate adjustment proceeding relating to statutory licenses for the distant retransmission by cable systems of over-the-air broadcast radio and television programming. See 17 U.S.C. 801(b)(2), 803(b)(1), 804(a) and (b), by notice published in the **Federal Register** on June 19, 2015.

The Judges received two joint Petitions to Participate, one from a group referring to itself as Phase I Parties² and another from the National Cable & Telecommunications Association and the American Cable Association. The Judges accepted these petitions and commenced a Voluntary Negotiation Period (VNP).

On November 23, 2015, the Joint Sports Claimants³ filed a "Petition . . . to Initiate Cable Royalty Rate Adjustment Proceedings" with a self-styled caption indicating a proceeding for cable rate adjustments "for

Retransmission of Certain Sports Telecasts." On December 15, 2015, at the conclusion of the VNP, all participants, including the Joint Sports Claimants, notified the Judges of a global settlement and asked that cable retransmission rates remain unchanged for the rate period 2015 to 2019, inclusive. Given the conflicting positions of the Joint Sports Claimants, the Judges rejected the proposed global settlement, without prejudice.

Settling participants have now asked that the Judges accept the negotiated settlement as a "partial settlement" and permit continuing proceedings to determine whether and to what degree to make a rate adjustment under section 801(b)(2)(C). Section 801(b)(2)(C) provides for adjustment proceedings⁴ in the event of an FCC rule change "with respect to . . . sports program exclusivity. . . ." The Joint Sports Claimants base their separate petition on an FCC rule change, *viz.*, repeal of the sports exclusivity rule, effective November 24, 2014.

The Judges give this notice and opportunity for additional parties to file a Petition to Participate in the extant proceeding. The Judges shall continue the proceeding solely for determination of what rate adjustment, if any, should result from the FCC rule change. According to the Act, any adjustment resulting from the remainder of this proceeding shall be limited to those broadcast signals carried on systems affected by the FCC rule change. See 17 U.S.C. 801(b)(2)(C).

How To Submit Petitions to Participate

Any party that has filed a Petition to Participate in the present proceeding need only file a Notice of Intent to Participate in the Sports Rule Surcharge portion of the proceeding. Any other party wishing to participate in the proceeding to determine a Sports Rule Surcharge adjustment to the cable royalty rate shall submit to the Copyright Royalty Board the filing fee (US \$150), an original Petition to Participate, five paper copies, and an electronic copy on a CD or other portable memory device in Portable Document Format (PDF) that contains searchable, accessible text (not a scanned image of text). Participants should conform filed electronic documents to the Judges' Guidelines for Electronic Documents posted online at www.loc.gov/crb/docs/Guidelinesfor_Electronic_Documents.pdf. Participants

shall deliver Petitions to Participate to only one of the following addresses.

U.S. mail: Copyright Royalty Board, PO Box 70977, Washington, DC 20024-0977; or

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2016-027]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize agencies to preserve records of continuing value in the National Archives of the United States and to destroy, after a specified period, records lacking administrative, legal, research, or other value. NARA publishes notice for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: NARA must receive requests for copies in writing by May 26, 2016. Once NARA completes appraisal of the

¹ The cable rates were last adjusted in 2005. Although the Judges commenced a rate proceeding relating to the 2010 rate adjustment, the Judges terminated it when passage of the Satellite Television Extension and Localism Act of 2010, Pub. L. 111-175, rendered the proceeding unnecessary. *Order Granting Request to Terminate Proceeding*, Docket No. 2010-1 CRB Cable Rate (July 13, 2010).

² The Phase I Parties consist of: Program Suppliers, Joint Sports Claimants, Public Television Claimants, Commercial Television Claimants, Music Claimants, Canadian Claimants Group, National Public Radio, and Devotional Claimants.

³ The Joint Sports Claimants consist of: The National Basketball Association, the National Collegiate Athletic Association, the National Football League, the National Hockey League, the Office of the Commissioner of Baseball, and the Women's National Basketball Association.

⁴ Sports program exclusivity proceedings may be conducted apart from the quinquennial proceedings required by § 804 of the Act.

records, we will send you a copy of the schedule you requested. We usually prepare appraisal memoranda that contain additional information concerning the records covered by a proposed schedule. You may also request these. If you do, we will also provide them once we have completed the appraisal. You have 30 days after we send these requested documents in which to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting Records Appraisal and Agency Assistance (ACRA) using one of the following means:

Mail: NARA (ACRA); 8601 Adelphi Road; College Park, MD 20740-6001.

Email: request.schedule@nara.gov.

Fax: 301-837-3698.

You must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and a mailing address. If you would like an appraisal report, please include that in your request.

FOR FURTHER INFORMATION CONTACT:

Margaret Hawkins, Director, by mail at Records Appraisal and Agency Assistance (ACRA); National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740-6001, by phone at 301-837-1799, or by email at request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: Each year, Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval. These schedules provide for timely transfer into the National Archives of historically valuable records and authorize the disposal of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media neutral unless otherwise specified. An item in a schedule is media neutral when an agency may apply the disposition instructions to records regardless of the medium in which it has created or maintains the records. Items included in schedules submitted to NARA on or after December 17, 2007, are media neutral

unless the item is limited to a specific medium. (See 36 CFR 1225.12(e).)

No agencies may destroy Federal records without the approval of the Archivist of the United States. The Archivist grants this approval only after a thorough consideration of the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value.

In addition to identifying the Federal agencies and any subdivisions requesting disposition authority, this notice lists the organizational unit(s) accumulating the records or that the schedule has agency-wide applicability (in the case of schedules that cover records that may be accumulated throughout an agency), provides the control number assigned to each schedule, the total number of schedule items, and the number of temporary items (the records proposed for destruction), and includes a brief description of the temporary records. The records schedule itself contains a full description of the records at the file unit level as well as their disposition. If NARA staff has prepared an appraisal memorandum for the schedule, it also includes information about the records. You may request additional information about the disposition process at the addresses above.

NATIONAL TRANSPORTATION SAFETY BOARD

National Transportation Safety Board Forum

The National Transportation Safety Board (NTSB) will hold a 1-day forum to discuss the risks posed to pedestrians by highway travel. The event, "Pedestrian Safety," will be held from 9 a.m. to 4:30 p.m. ET on May 10, 2016, in Washington, DC.

While the overall number of highway deaths has been decreasing in recent years, the number of pedestrian fatalities on public roads has increased 19 percent over the past 5 years. Estimates for 2015 pedestrian fatalities

indicate that they may have been 10 percent higher than those in 2014. The NTSB meeting will provide an overview of pedestrian fatalities and injuries, and it will consider what data are needed to understand and address this growing safety problem. Unlike many highway projects that are federally funded and administered by states, many pedestrian infrastructure projects are managed at the urban and local levels. The forum will consider policy efforts to implement complete streets designed for all users. The forum will also consider highway design countermeasures intended to improve pedestrian safety. Vehicle technologies that can enhance pedestrian safety by mitigating or avoiding crashes will also be discussed.

The forum will feature presentations by urban planners, highway engineers, transportation policy advocates, and public health interests. Inquiries about the forum can be directed to pedestriansafety@ntsb.gov. The event will be held in the NTSB Board Room and Conference Center, located at 429 L'Enfant Plaza SW., Washington, DC. The forum is free and open to the public. Those intending to attend should register at www.ntsbt.gov/pedestriansafety. In addition, the forum can be viewed via webcast here: <http://ntsbt.capitolconnection.org/>. Several days after the conclusion of the forum, an archived webcast of it will be posted on the NTSB Web site and will be available for 90 days.

If you wish to obtain a copy of the forum webcast, please contact the NTSB Records Management Division at 202-314-6551 or 800-877-6799. You may also request this information from the NTSB Web site or by writing to the following address: National Transportation Safety Board, Records Management Division (CIO-40), 490 L'Enfant Plaza SW., Washington, DC 20594.

Individuals requiring reasonable accommodation and/or wheelchair access directions should contact Rochelle Hall at 202-314-6305 or by email at Rochelle.Hall@ntsb.gov by May 4, 2016.

NTSB Media Contact: Christopher O'Neil—christopher.oneil@ntsb.gov.
